ODJFS continues the partnership with the Dave Thomas Foundation for Adoption (DTFA) which, through its signature Wendy's Wonderful Kids (WWK) program, has increased the number of adoptions of children aged 9 to 17 in the permanent custody of children service agencies. Under the WWK model, children are 1.7 times more likely to be adopted than those not served. Many of these children have been in foster care for more than two years.

South Central Ohio (SCO) QuickView

On January 1, 2013 the new South Central Ohio Job and Family Services (SCOJFS) agency began operations. The multi-county agency resulted from the merger of Hocking, Ross, and Vinton counties. Staff and commissioners from all three counties worked together for two and a half years to make the merger possible. The new shared service agency provides all the same services as any other county agency, while maximizing resources to more efficiently use Ohio's taxpayers dollars.

For some data categories, datasets for each county in the SCO agency will be displayed. Their combined totals, where mathematically possible, are shown in the 'SCO' column of the data category.
