3501 Cheviot Ave, 45211
Thursday, April 28th, 2011
6:00pm – 9:00pm

(food and child care provided)
**open to the public*

Childhood sexual abuse is not a child problem. It is an adult problem that must be prevented by adults. The problem is that most adults don't know anything about the topic because it is rarely discussed in our society. Solution: Stewards of Children.

If you care for or about children, please get trained. This is going to change your life and the lives of children you know.

To register call Jennifer Re at 4C for Children: 513-758-1234
or e-mail jre@4cforchildren.org
