It Takes Two: Is an intensive outreach program that focuses on non-custodial parents. The overall goal of the program is to assist the parent to play a positive role in the life of their child. Often this means working on issues with the custodial parent of the family, learning how to spend quality time with the child, or addressing personal issues such as anger management, unemployment, or self esteem.

toll free at (800) 693-6000

Incredible Years: is designed to promote emotional and social competence and to prevent, reduce, and treat behavioral and emotional problems in young children. Ultimately, the aim of the teacher, parent, and child training programs is to prevent and reduce the occurrence of aggressive behavior, thus reducing the chance of developing later delinquent behaviors.

Wraparound: this program coordinates the services of families and children with multiple needs provided by numerous agencies and organizations. This is a team-based approach that provides a family and child centered approach that values the family's perspective. Team members help identify and present options and resources for the family to move forward in reaching their goals.
