

# Report

If you suspect abuse  
or neglect, call  
1-855-OH-CHILD.

Don't overlook  
suspected abuse.  
Report it!

Many people see signs  
of abuse and  
never report them.

The next time you see  
something unusual,

# Report.

Perhaps you notice behavior changes, hear something that makes you uncomfortable, see a bruise, or actually witness abusive behavior in a parent.

- Start a conversation with the parent.
- Divert the child's attention.
- Look for an opportunity to praise the child or parent.
- If the child is in immediate danger, call 911.
- Report abuse, ask questions or get help at 1-855-OH-CHILD (855-642-4453).
