

Helping Ohioans Move, Expanding Choice
Ohio's "Money Follows the Person" Demonstration Project
Provider Fact Sheet

Nursing Services

HOME Choice **nursing services** are intermittent services provided to HOME Choice Demonstration program participants that require the skills of a registered nurse or a licensed practical nurse at the direction of a registered nurse.

- Nurses are required to have an current, valid and unrestricted license from the Ohio Board of Nursing.
- HOME Choice nursing services must be provided by a Medicare-certified or otherwise accredited home health agency or a non-agency provider.
- The nursing services must be performed pursuant to signed and dated written order from the treating physician. Providers must provide services and maintain clinical records as outlined in OAC 5101:3-51-04.
- Nursing services can be provided for one individual during a face-to-face visit, or for two or three individuals in a group setting, during the same face-to-face visit.
- In order to supply services as an nursing services provider, the agency or individual must submit a HOME Choice Provider Application and Agreement. The application and provider agreement can be obtained on-line at <http://jfs.ohio.gov/ohp/consumers/homechoice.stm> or by calling 1-888-221-1560 after October 1, 2008.
- In order to submit a claim for reimbursement, the nursing services provider must be identified on the consumer's HOME Choice Demonstration Program service plan.
- The provider cannot be the participant's spouse, or in the case of a minor, the provider cannot be the participant's birth or adoptive parent, unless the family member is employed by a home health agency. The provider cannot be the participant's foster caregiver.
