Fiscal Management Services (FMS)

The Ohio Department of Job and Family Services has entered into a contract with Jewish Employment and Vocational Service (JEVS) to provide statewide fiscal management services (FMS) for the HOME Choice program. JEVS will be responsible for making payments to all HOME Choice providers, as well payments for all goods and services for participants.

In addition, JEVS will:

- Process and pay goods and services invoices to providers included in participant's service plans and budgets;
- Manage individual participant's budgets by acting as a neutral bank;
- Provide monthly reports to program participants about their budget and their service expenditures;
- Provide ongoing customer service to ODJFS, program participants and providers.

Who is JEVS?

JEVS was founded in 1941 and is one of the largest nonprofit organizations in the metropolitan Philadelphia area. JEVS' mission is to empower seniors and people with disabilities to self-direct their own care, enabling them to remain independent and in their own homes with a broad continuum of high quality personal assistance, fiscal and human resource and service coordination supports.

Do I have to use JEVS to bill for services?

Yes.

What number do I use to bill for services?

You will receive a unique provider number that starts with "HC" followed by a series of numbers. You cannot use Medicaid provider number to bill. If you try to bill the services through Medicaid, your claim will be denied.

How do I get reimbursed for services?

You must be approved on the participant's Home Choice Demonstration Services Plan. You will receive claim forms in your provider packet. This packet will be mailed to you

Provider Fact Sheet

soon after your HOME Choice provider application has been approved. You will submit these claim forms to JEVS and they will reimburse you for services.

How often will I be paid?

If you have been authorized for the services you are billing, your claim form will be processed and paid within 10 days of receipt by JEVS.

Can I be paid through Electronic Fund Transfer (EFT)? If so, what do I need to do to authorize EFT?

In the provider packet that is mailed to you, there is a form to fill out and mail to JEVS to request authorization to be paid by electronic funds transfer.

Is there a deadline to submit claims?

Services must be billed within 90 days of service date. Claims submitted after 90 days of the service date will not be paid by JEVS.

How do I contact JEVS?

You may contact JEVS by calling:

1-866-940-1934

Fax: 1-888-668-0574

Web: www.jevs.org
