# TANF PRC Soft Services<sup>d</sup>

October - December 2002

## Footnotes

---

<sup>a</sup> This report was introduced in July 2001 to capture information on categories of services and populations served and estimates of the distribution of expenditures that are not captured by any other means. Therefore, this report is not designed to correspond to ODJFS Federal Fiscal reporting.

<sup>b</sup> Totals may not add due to rounding.

<sup>c</sup> Since some populations could reflect duplicate numbers served across multiple categories and/or monthly reporting periods, these numbers represent a monthly average of reported totals for the reporting period.

<sup>d</sup> The Prevention, Retention, Contingency (PRC) Program is an Ohio TANF funded program administered by CDJFS's. PRC "soft" services are services without cash value to the recipient (e.g., job training and education, after-school programs, etc.). Data on these services are collected through the PRC Web Reporting Tool (WRT).

Does not include non-CDJFS administered TANF carve-outs for soft services. These programs are:

1. Department of Education / Head Start
2. Department of Health / Family Planning
3. Ohio Department of Alcohol & Drug Addiction Services / Substance Abuse Treatment and Mentoring
4. Department of Development / TANF Housing Program

Sources: Soft services data are from the PRC Web Reporting Tool (WRT).
