

### CHILD AND FAMILY SERVICES REVIEW ROUND 3

CHILD AND FAMILY SERVICES REVIEW INDICATORS			
SAFETY INDICATORS			
Safety Outcome 1: Children are, first and foremost, protected from abuse and neglect			
Data Indicators	Indicator Description	National Standard	Risk Adjusted Performance FFY 2013
1	<b>Maltreatment in Foster Care</b>	Of all children in foster care during a 12-month period, what is the rate of victimization per 100,000 day in foster care?	8.50 victimizations per 100,000 days in care
			<b>16.56</b> victimizations per 100,000 days in care <b>(failed)</b>

Calculation:

Of children in the denominator, the total number of substantiated/indicted reports of maltreatment (by any perpetrator) during a foster care episode within a 12-month period (**numerator**)

Of children in foster care during a 12-month period, the total number of days these children were in foster care as of the end of the 12-month period (**denominator**)

Exclusions: (1) Any report of maltreatment that occurs within the first 7 days of removal; (2) complete foster care episodes lasting less than 8 days; (3) victims who are age 18 or more; (4) youth in foster care at age 18 or more; and (5) days in care spent in foster care beyond 18<sup>th</sup> birthday (not counted in denominator).

SAFETY INDICATORS

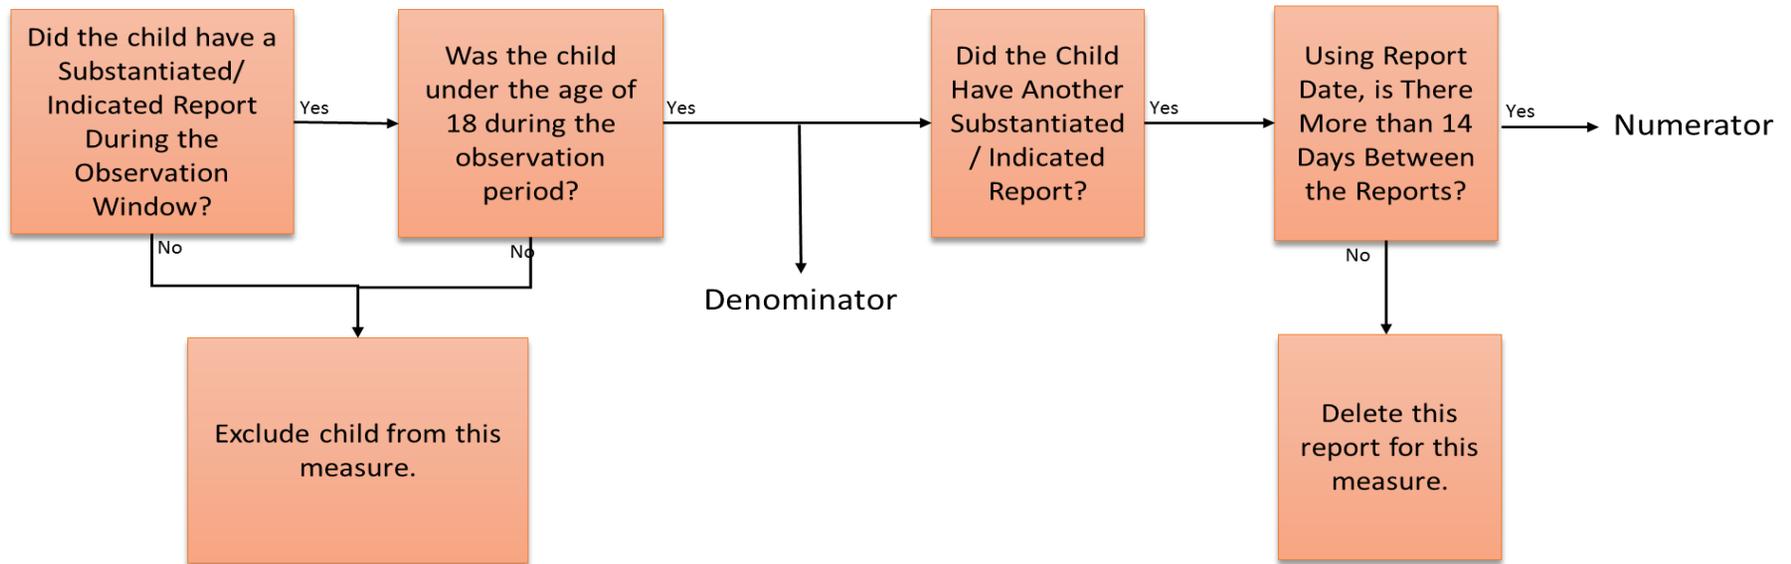

Safety Outcome 1: Children are, first and foremost, protected from abuse and neglect

Data Indicators	Indicator Description	National Standard	Risk Adjusted Performance FFY 2012
2	<b>Recurrence of Maltreatment</b> Of all children who were victims of a substantiated or indicated report of maltreatment during a 12-month reporting period, what percent were victims of another substantiated or indicated maltreatment allegation within 12 months of their initial report?	9.1% or below	<b>13.2% (Failed)</b>

Calculation:

Number of children in the denominator that had another substantiated or indicated report of maltreatment within 12 months of their initial report (numerator)

Number of children with at least one substantiated or indicated report of maltreatment in a 12-month period (denominator)

Exclusion: (1) A subsequent report of maltreatment within 14 days of an earlier report and (2) youth who are age 18 or more.

CHILD AND FAMILY SERVICES REVIEW INDICATORS

PERMANENCY INDICATORS

Permanency Outcome 1: Children have permanency and stability in their living situations

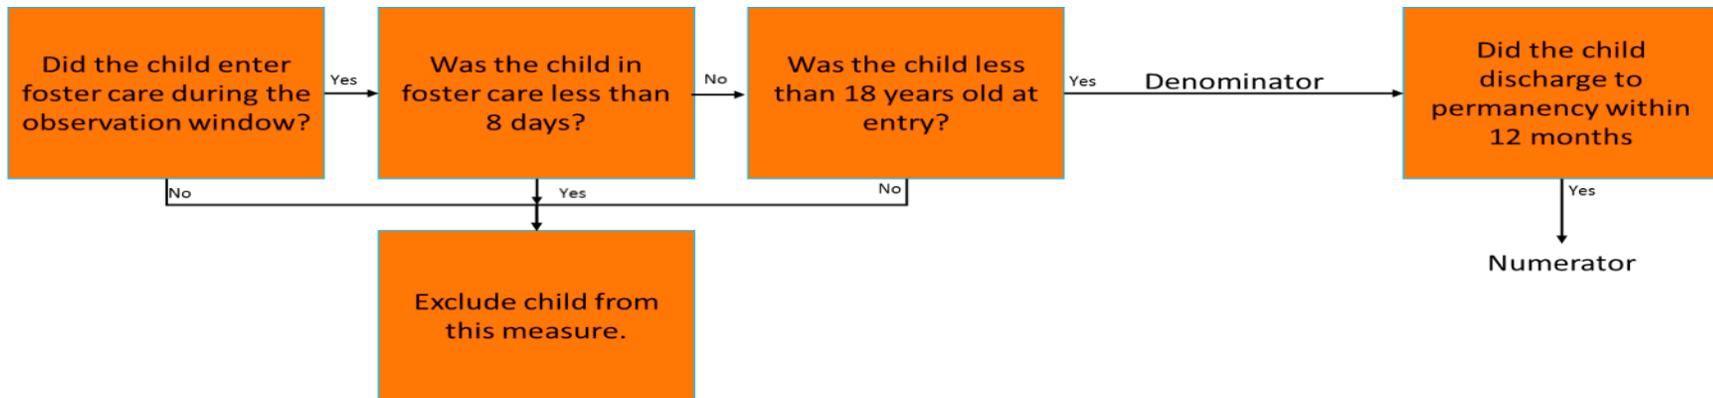

Data Indicators	Indicator Description	National Standard	Risk Adjusted Performance 4/1/2011-3/31/2012
1	<b>Permanency in 12 Months for Children Entering Foster Care</b> Of all children who enter foster care in a 12-month period, what percent discharged to permanency* within 12 months of entering foster care?	40.5% or more	46.8%

\*Discharge to permanency is discharge to reunification with parents or primary caretakers; living with other relative(s), adoption, guardianship.

Calculation:

Number of children in the denominator who discharged to permanency within 12 months of entering foster care and before turning age 18 (numerator)

Number of children who enter foster care in a 12-month period (denominator)

Exclusions: (1) Youth who enter foster care at or after age 18 and (2) children who have a complete foster care episode lasting less than 8 days. For children with multiple foster care episodes in the 12-month period, this indicator will use the first episode reported. Trial home visits exceeding 30 days is discounted from the length of stay in foster care.
