Final Question and Answer Document

*Caroline T. Lewin, Ph.D.*  
*Psychologist*

Q1. The request lists attachment C for DMA form. However it is not clear to me that this is to be returned at time of application with the letterhead bid proposal. Is it? If so, does it go just behind the other certifications in attachment D?

**A1. Yes, Attachment C The Declaration of Material Assistance (DMA) form does need to be submitted at the time of application. Please include the DMA form prior to the Application Letter.**
