

ATTACHMENT E
RFP#: R-89-10-0893
Technical Proposal Score Sheet

PHASE I: Initial Qualifying Criteria

The proposal must meet all of the following Phase I proposal acceptance criteria in order to be considered for further evaluation. Any proposal receiving a “no” response to any of the following qualifying criteria **shall be disqualified from consideration**.

ITEM	PROPOSAL ACCEPTANCE CRITERIA	YES	NO
1	Was the vendor’s proposal received by the deadline and in the format specified in Section II		
2	Did the vendor submit five (5) copies of their Technical Proposal (with respective CD-ROMs) in a separate sealed envelope labeled: “PROPOSAL ENCLOSED FROM [VENDOR’S NAME] FOR RFP#: R-89-10-0893 FREE NATIONAL ACCESS TO JOB OPPORTUNITY DATA.”		
3	Allow free access to Ohio job opportunities in addition to a national job opportunities data bank, with at least 50,000 Ohio job opportunities, as well as a national opportunity data bank.		
4	Minimum of 2 years as vendor providing access to centrally captured electronic job opportunity data.		
5	Provide data feeds for national job opportunity data.		
7	Accept data feeds from ODJFS, and present and display data in their national job opportunity data system at no cost.		
8	Display an “Ohio brand” banner to be displayed while viewing national job opportunity data via web interface. This banner will be active with drop downs that will link back to ODJFS functionality.		
9	Conduct basic and advanced searched of Ohio and national job opportunity data.		

PHASE II: Criteria for Scoring of Technical Proposal

Qualifying technical proposals will be collectively scored by a Proposal Review Team (PRT) appointed by ODJFS, Office of Research, Assessment and Accountability. For each of the evaluation criteria given in the following score sheet, reviewers will collectively judge whether the technical proposal exceeds, meets, partially meets or does not meet the requirements expressed in the RFP, and assign the appropriate point value, as follows:

0	5	8
Does Not Meet Requirement	Meets Requirements	Exceeds Requirements

A technical proposal’s total PHASE II score will be the sum of the point value for all the evaluation criteria. The review team will collectively score each individual qualifying proposal. Technical proposals which do not meet or exceed a total score of at least **480 points** (indicating a proposal that demonstrates adequate ability to perform contractual duties) out of a maximum of **729 points**, will be disqualified from further consideration. ODJFS will recommend for contract the vendor with the highest technical score.

ITEM #	EVALUATION CRITERIA	Weight	Doesn’t Meet 0	Meets 5	Exceeds 8
	ORGANIZATIONAL EXPERIENCE AND				

CAPABILITIES					
1	Examples of three (to include name of organization and website) organizations where the vendor has provided similar services of the same size and scope.	5			
2	Did the vendor provide a Technical Point of Contact (POC) who will be accountable for this interface.	5			
3	Will allow an "Ohio brand" banner to be displayed while viewing job opportunity data. This banner will be active with drop downs that will link back to ODJFS functionality.	3			
4	Will offer at a minimum the following searches to the national job opportunity data, but not limited to: <ul style="list-style-type: none"> o A basic search: <ul style="list-style-type: none"> ▪ Job name/description ▪ Desired location o An advanced search: <ul style="list-style-type: none"> ▪ Company name ▪ Mile radius ▪ Exact words, at least one word, none of the words, all of the words ▪ Job type 	3			
5	Will offer all employers, commercial job board sites, associations, education institutions, and government a simple and efficient way to include their job opportunities in the national job opportunity data source with no/minimal effort. NOTE: Important that the vendor describe the anticipated timeframe from request to job posting/request to have the job opportunity be part of their national on-line listing at no cost.	5			
6	Will offer the ability to display relevant salary and trend data based upon a particular job title and location.	3			
7	Will offer the ability to quickly search the national job opportunity data by: <ul style="list-style-type: none"> o Relevance factor o Date (most current) o Company with the most listings o Job type (some examples: full-time, part-time, temporary, internship, contractor) o Further location breakdown 	3			
8	Will offer the ability to display job opportunity data that comes from the ODJFS self-service job posting system first when merged with all the national job opportunity/listings (on search criteria for free).	5			
9	Will offer the ability to accept a data feed from our self-service system of job title (the "what") and location (the "where") in order to display the national job opportunity data. The location information will also contain a further breakdown based upon Ohio's Economic Regions, Workforce Areas or WIRED Region. This data feed will need to be accepted and present back to the user the search criteria selected. NOTE: ODJFS will define the relevant zip codes/counties/cities to be part of the Economic Regions and/or Workforce and/or WIRED areas.	3			
10	Will offer the ability to allow the system user, based upon the search criteria selected, to review all national job opportunities meeting that search criteria and after making a selection, immediately and directly link the user to the exact location where the user can apply for that particular job opportunity. Will offer the ability to filter out and reject job opportunity data based upon certain keywords, to conduct such filtering on a routine and daily basis, and within two days of notification by ODJFS, to filter out and reject particular employers, websites and/or a particular job opportunity.	3			
11	Ability to meet the 2/1/2008 deadline to begin to provide free national access to job opportunity data	5			
12	What type of Backup, Recovery and Disaster Recovery plans are currently in place?	5			
13	What are your current performance metrics (number of hits, response time, etc)?	1			
14	Do you support secure sessions (https)?	1			
ITEM #	EVALUATION CRITERIA	Weight	Doesn't Meet 0	Meets 5	Exceeds 8
15	At no time while displaying job opportunity data will any advertisement and/or sponsorship be viewable. The only allowable will be some	1			

	acknowledgement (via logo or phrase) of the vendor's partnership with ODJFS in this initiative.				
16	ADA compliance.	5			
17	Quality of job opportunity data (refresh, duplications, etc)	3			
18	Provide number of Ohio job opportunities currently in your job opportunity data source. This figure needs to come from the site that you will list as your main site in the following bullet. Vendors not currently containing over 50,000 Ohio job opportunities in their job bank will be deemed non-responsive and rejected from any consideration.	5			
19	Need to get at a minimum two (one of which needs to be the main vendor's site where the data for the number of Ohio job opportunities was counted from as well as the location for the free posting for national presence) URLs where the vendor has partnered with a public entity in a similar size and scope to what is being requested within the RLB.	5			
20	Site 1:	5			
21	Site 2:	5			
22	The job opportunity data source must have described proven abilities to gather job data via authorized means and generally accepted practices from the internet.	5			
23	Additionally, vendors may describe other features that would be available at no additional charge should they be selected. 1: 2: 3: 4: 5: 6: 7: 8: 9:	5			
24	Experience in similar size and scope engagements for job opportunities and real-time salary and trend data along with the past/current job opportunities in Ohio.	5			
25	Each vendor must submit five (5) complete and signed copies of its response. The vendor must clearly mark the exterior of the envelope "Job Opportunity Data RLB." The vendor must describe how the features and capabilities described in the Scope of Work can be accomplished by the vendor at no cost. The majority of the validation will be done by the review of the URLs listed in the proposal.	1			
26	Also, the Vendor must provide an electronic copy of everything contained within its response on CD-ROM in Microsoft Word 2002, Microsoft Excel 2002, Microsoft Project 2003, and PDF format, as appropriate.	1			
Column Subtotal of "Does Not Meet" points					
Column Subtotal of "Meets" points					
Column Subtotal of "Exceeds" points					
GRAND TOTAL SCORE					

(Vendor's Grand Total Technical Score must be at least 480 points.)

Yes _____

No _____

(If "No," Vendor's Cost Proposal will not be opened.)
