Elyria Plastic Products is accepting applications for entry into our Apprenticeship Program. Acceptance into our Apprenticeship Program includes full-time employment (at an apprenticeship wage) with full-time employee benefits including medical insurance, life insurance, 401k and paid time off (PTO).

We will be accepting both entry level apprentices as well as apprentices who have already began their apprenticeship under another sponsor.

Trades being offered are Toolmaker and Machine Tryout Setter (CNC Machinist). Each apprenticeship requires completion of 2000 hours of on-the-job training and a minimum of 144 hours of related instruction per year over a 4 year period.

To be considered for acceptance into this program the applicant must meet the following qualifications:

1. Be at least 18 years of age (16 years of age and a senior if enrolled in an approved School-to-Apprenticeship Program).
2. Have a high school diploma, GED or enrolled in an approved School-to-Apprenticeship Program.
3. Have reliable transportation.

How to apply:
