June 6, 2012

Empire Die Casting Company, Inc. is accepting applications for entry into our Apprenticeship Program. Acceptance into our Apprenticeship Program includes full-time employment (at an apprenticeship wage) with full-time employee benefits including medical insurance, 401k and paid time off (PTO).

We will be accepting both entry level apprentices as well as apprentices who have already began their apprenticeship under another sponsor.

**Trade being offered is: Tool & Die Maker**

**The apprenticeship requires completion of the program hour requirements of on-the-job training and a minimum of related technical instruction per year over a four-year period.**

To be considered for acceptance into this program the applicant must meet the following qualifications:

1. Be at least 18 years of age (17 years of age and a senior if enrolled in an approved School-to-Apprenticeship Program).
2. Have a high school diploma, GED or enrolled in an approved School-to-Apprenticeship Program.
3. Have reliable transportation.
4. Must not Smoke (smokers will not be hired as this is a non-smoking facility)

**How to apply:** Web: and click on the application button on our web site at:
