Subject: Information Regarding Child Care Payments (G1)

Dear Ohio Child Care Provider,

This is a reminder that provider payments processed on June 24, 2012 and July 1, 2012 will be deposited to providers' accounts 5-7 **business** days (excludes holidays and weekends) from July 1, 2012. Since Wednesday, July 4, 2012 was a holiday, 5-7 business days from July 1, 2012 would mean that deposits will be made between Monday, July 9 and Wednesday, July 11.

Please note that these two payments will be two separate deposits and may NOT be deposited in order or on the same day. However, both deposits should be received by providers no later than Wednesday, July 11, 2012. If you have not received both payments by this date, please contact the CCIDS Help Desk at 1-877-302-2347, option 1.

Thank you,

The CCIDS Help Desk Team
