Dear Ms. Perrino:

On behalf of the Ohio Department of Job and Family Services, I would like to thank the members of the Child Care Advisory Council (CCAC) for the dedication and expertise you bring to the field of early learning and child care throughout Ohio.

The department has reviewed the council's recommendations. We are in agreement that high-quality programming should be made available to children across the state, including rural communities. These recommendations will be considered as we move forward in determining the allocations for the money authorized in the last State Budget.

I appreciate your recommendations presented to the department and look forward to a continued partnership to promote affordable, available quality child care for Ohio's children.

Sincerely

Cynthia C. Dungey, Director
