

Training Requirements for First Aid, Common Childhood Illnesses, and CPR

Ohio Administrative Code (OAC) 5101:2-12-10 (Centers) & 5101:2-13-10 (Family Child Care, Type A and Type B Home Providers)

Reminder: The health trainings listed in this chart do not count toward the annual six clock hours of required on-going professional development training. Audiovisual or electronic media training shall not be used to meet the CPR training requirement of this rule unless there is also an in-person component of the training.

Training	Approved Health Organization/Course Offered	Trainer Requirements and Additional Curriculum Information	Training Format Options
First Aid	<ul style="list-style-type: none"> • American Red Cross • American Heart Association • Health and Safety Institute • Emergency Care and Safety Institute (formerly National Safety Council safety training programs) • Medic First Aid • AIR Child Care Training Solutions • ProTrainings • EMS Safety Services, Inc • PedFACTS First Aid for Caregivers and Teachers (by the American Academy of Pediatrics) • Germ Patrol • Horn of Africa Voluntary Youth Committee-Adult and Pediatric First Aid/CPR • American CPR • Hands That Move Hearts, LLC 	<p><u>Trainers must be one of the following:</u></p> <ol style="list-style-type: none"> 1. An authorized first aid trainer for an ODJFS approved health organization. 2. A licensed physician or registered nurse. 3. An emergency medical service instructor. <p><u>Please note the following course content requirements:</u></p> <ol style="list-style-type: none"> 1. The training must follow guidelines, including length of training time, and curriculum designed for child care staff by an ODJFS approved health organization. 2. The training may include CPR training. 3. The training is valid for the number of years indicated on a card or form provided by the approved health organization. 4. The training may be updated by completion of a three-hour review course covering the same topics or completion of the full course. 	<ul style="list-style-type: none"> • Initial and refresher trainings can be completed in-person <u>or</u> online. • <u>First Aid and CPR may be combined.</u> If combined, an in-person skills assessment must be completed for CPR. <p style="color: red;">*A First Aid refresher combined with CPR cannot be completed strictly online.</p>

Training	Approved Health Organization/Course Offered	Trainer Requirements and Additional Curriculum Information	Training Format Options
Communicable Disease	<p>"Common Childhood Illnesses" the curriculum developed by ODH and ODJFS</p> <p><u>Approved health organizations for communicable disease:</u></p> <ul style="list-style-type: none"> • Childcare Training Ohio • Central Ohio CPR • AIR Child Care Training Solutions 	<p><u>Trainers must be one of the following:</u></p> <ol style="list-style-type: none"> 1. An authorized communicable disease trainer for an ODJFS approved health organization. 2. A licensed physician or registered nurse. <p><u>Please note the following course content requirements:</u></p> <ol style="list-style-type: none"> 1. The training must follow guidelines and curriculum designed for child care staff by an ODJFS approved health organization <u>or</u> is at least six hours in length and follows the ODJFS/ODH curriculum. 2. The training is valid for three years. 3. The training may be updated by completing a three-hour review course covering the same topics to meet annual training requirements. 	
CPR	<p><u>Approved health organizations for CPR:</u></p> <ul style="list-style-type: none"> • American Heart Association • American Red Cross • Health and Safety Institute • Emergency Care and Safety Institute • Medic First Aid • Germ Patrol • Emergency First Response • AIR Child Care Training Solutions • PedFACTS First Aid for Caregivers and Teachers (by the American Academy of Pediatrics) • ProTrainings • Horn of Africa Voluntary Youth Committee-Adult and Pediatric First Aid/CPR • EMS Safety Services, Inc • American CPR • Hands That Move Hearts, LLC 	<p><u>Trainers must be:</u></p> <ol style="list-style-type: none"> 1. An authorized CPR trainer for an ODJFS approved health organization. <p><u>Please note the following course content requirements:</u></p> <ol style="list-style-type: none"> 1. The training must follow guidelines, including length of training time, and curriculum designed by an ODJFS approved health organization. 2. The training must be appropriate for all age groups the program is currently serving. 3. The training is valid for the number of years indicated on a card or form provided by the approved health organization. 	<ul style="list-style-type: none"> • Due to the in-person skills assessment, CPR training can only be completed in-person or in a blended format. • If First Aid and CPR are combined, an in-person skills assessment must be completed for CPR.
