Entire School Information Section is New

New Fields: Service Wk, Settlement Dt, School Hrs Deducted (blank until January), Net Wkly Attendance Hrs

New fields in this section: Authorized Max Hours, Family Max Category, Family Max Hours, Provider Type, and SUTQ Star Rating

In order to help providers better understand their payment calculations, several fields have been added to the “Provider’s Payment Detail” screen. The following information will describe what these new fields are:

AUTHORIZATION INFORMATION SECTION

Person Information Section:	
All displayed information within this section remains the same.	
School Information for < Service Week Begin Date> to < Service Week End Date> Section:	
School Rate Start Date	This is the school begin date set by Policy.
Summer Rate Start Date	This is the summer begin date set by Policy.
Timetable ID	This is the timetable assigned to the child. It is based upon school information entered by the county worker.
Timetable Name	This is the name of the timetable associated with the Timetable ID number assigned to the child, based upon the school information entered by the county worker.
School Name	This is the name of the school the child attends based upon the school information entered by the county worker.
School Age	This is a Yes/No field that indicates if the child is school age (designated by the county).
School Days Off	This field displays any designated school days off for this service week. School days off are set by the State. This field will be blank if there are no school days off for the specified service week.

Authorization Information for <Service Week Begin Date> to <Service Week End Date> Section:	
The following are the new fields that have been added to this section	
Authorized Maximum Hours	The maximum number of hours the child has been authorized for care by the county.
Family Maximum Category	The designated family payment category (LT/PT/FT/GT) as defined by the family maximum hours assigned to the family by the county.
Family Maximum Hours	The maximum number of hours the family has been authorized for care by the county worker, based upon the caretaker's information.
Provider Type	The provider's type (i.e., B, C, I).
SUTQ Star Rating	The provider's SUTQ rating.

CHILD PAYMENT INFORMATION SECTION

The following are the new fields have been added to this section:	
Service Week	This is the service week for which the payment is being calculated.
Settlement Date	This is the settlement date for this payment.
School Hours Deducted	This is the total amount of time that has been deducted from the provider's payment to cover the time that the child was in school. (NOTE: This will display zero until January)
Net Weekly Attendance Hours	This is the net hours (Weekly Matched Attendance Hours minus School Hours Deducted) used to calculate the provider's payment.

Under the “Child Payment Information Section”, clicking on any of the “hours” beside the “Weekly Matched Hours/School Hours Deducted/Net Weekly Attendance Hours” will display the “Attendance Information Screen” for the specified service week. This screen has not changed, as seen below:
