Family Services

Child Care

Ohio counties provide child care services and early learning opportunities that families need to succeed at work and school. Through state and federal funding, families whose income is at or below 150 percent of the federal poverty guideline can receive payment for all or part of their monthly child care expenses while parents work or attend job training/educational activities. A family may remain eligible until income increases to 200 percent of the federal poverty guideline.

Medical Assistance

Ohio offers a variety of assistance programs to give those with limited resources access to basic medical care. The most comprehensive of these is Medicaid, the federally funded, state-administered program that reimburses doctors and health-care facilities for providing services to eligible individuals with low income.

Health Care Statistics

In Huron County:

- 32.5%** of hospital visits occurred outside the county (2009)
- 43.4%** of all births were paid by Medicaid (2007)
- 68.5%** of mothers receiving Medicaid had two or more risk factors for poor birth outcomes (2007)

Medicaid Enrollment and Expenditures

Medicaid is the state and federally funded program that pays for health care services for eligible low-income people of all ages, including children, pregnant women, families, older adults and Ohioans with disabilities. Medicaid services are delivered via contracted health care providers, ensuring that Medicaid consumers get access to needed services, such as physician visits, hospital inpatient care, prescription drugs and home health services.
