Child Care

Ohio counties provide child care services and early learning opportunities that families need to succeed at work and at school. Through state and federal funding, families whose income is at or below 185 percent of the federal poverty guideline can receive payment for all or part of their monthly child care expenses while parents work or attend job training.

The state's Early Learning Initiative (ELI), which was implemented in 2006, gives low-income children the kinds of social and educational experiences they need to be ready for kindergarten.

"Step Up To Quality" Program

Step Up To Quality (SUTQ) is Ohio's voluntary quality rating system for child care programs. SUTQ is designed to increase the number of high-quality programs, recognize and support programs that achieve higher quality standards, and provide parents with an easy-to-use tool to assist them in making more informed choices on behalf of their children. Programs with the highest ratings qualify for monetary awards.

The number of Licensed Child Care Centers Earning Quality Ratings as of June 30, 2007: 1

Medical Assistance

Ohio offers a variety of assistance programs to give those with limited resources access to basic medical care. The most comprehensive of these is Medicaid, the federally funded, state-administered program that reimburses doctors and health-care facilities for providing services to eligible individuals with low income.

Health Care Statistics

In Hardin County:

- 90.6%** of hospital visits occurred outside the county (2007)
- 12.4%** of all residents were enrolled in the Medicaid program (2007)
- 31.9%** of all children were enrolled in the Medicaid program (2005)
- 33.8%** of all births were paid by Medicaid (2005)
- N/A** of mothers receiving Medicaid had two or more risk factors for poor birth outcomes (2005)

Medicaid Enrollment and Expenditures

Medicaid is the state and federally funded program that pays for health care services for eligible low-income people of all ages, including children, pregnant women, families, older adults and Ohioans with disabilities. Medicaid services are delivered via contracted health care providers, ensuring that Medicaid consumers get access to needed services, such as physician visits, hospital inpatient care, prescription drugs and home health services.
