In accordance with Public Assistance Manual section 5101:1-23-01 and Ohio Revised Code section 5107.18(E) an OWF assistance group may be exempt from the 36 month time limit on the receipt of OWF assistance if:

1. The adult participant has a pending disability decision with the Social Security Administration or with the O.D.H.S. County Medical Services and a favorable decision is expected within 6 months.  
or
2. The adult participant has cooperated fully with all the requirements of his/her Self-sufficiency Contract and has not been sanctioned from OWF for the past 18 months, as long as he/she continues to meet the requirements of the Self-sufficiency contract . And the adult participant is unemployed or under-employed through no fault of his/her own at the time the limit is reached.  
or
3. The adult participant is actively involved in a comprehensive vocational assessment with the Ohio Rehabilitation Services Commission and it is anticipated that the participant will pursue vocational options available in the local labor market.  
or
4. The adult participant presents extraordinary circumstances (eg: victims of domestic violence) that result in the participants inability to become self-sufficient, as determined by Preble County Job and Family Services.
