

Work Requirement (JOBS) Reports

July 1, 2006 - December 31, 2006

These five reports summarize Work Requirement activities from July 1, 2006 through December 31, 2006. The first five reports cover both OWF Work Requirement and the Food Stamp Employment and Training Program (FSET). Some OWF data are also showed for both Single Parent OWF (ADC regular and ADC for families with an incapacitated member), and Two Parent OWF (ADC-U unemployed parent). The fifth report, Monthly Participation Rate, does not cover recipients who only registered in the Food Stamp Employment and Training Program (FSET).

1. Monthly Participation Rates by County

This county break-out is for selected data from the Monthly Participation Rates Report. This report does not include recipients who are solely registered in the Food Stamp Employment and Training Program (FSET).

Note for OWF participation rates

Please note that the work participation rates for the period January through September 2006, the state and federal participation rates may vary due to the categorization of certain two-parent households. However, this difference did not have a negative impact on the state meeting the federal requirement. For the period October through December 2006 reflect the impact of federal TANF policy changes mandated in the Deficit Reduction Act (DRA). The new law reduced those activities that would meet federal requirements, changed some of the time constraints on eligible activities, and altered the recording of hours from those scheduled to those verified. These changes were being implemented over the course of this reporting period and the rates in this report may not comport with those published by the ACF.

2. Work Requirement Participation Data by County

All figures on this report are the *average monthly* number of participants for the six-month period.

Participation Status

Universe: The universe is Count of Individuals Exempt From Participation, Under Sanction, and Total Required and Voluntary.

Exempt From Participation: These individuals are not required to participate in Work Requirement for the reasons indicated on the first table. Not all OWF exemptions apply to the Food Stamp Program.

3. Work Requirement Employment Report

All figures reflect the average number of individuals who entered employment during the six month period.

Total Entering Employment: This is the total of individuals who began new employment during the reporting period. All other line items on this report are included within the total. The total is based on employments entered on the Work Requirement Sub-System and the Benefit Issuance Sub-System.

Part-time Hours: A part-time job is defined as less than 30 hours per week.

Full-time Hours: A full-time job is defined as 30 or more hours per week.

Hours Unknown: Hours of employment are unknown for people reported on the Benefit Issuance Sub-System.

Wages: Wages are unknown for people reported on the Benefit Issuance Sub-System.

Annual Income: Calculated from wage and hours. Unknown includes all those not reported by Work Requirement.

4. Demographics Report for Work Requirement Participants with Full-time or Part-time Employment

This report shows the demographic characteristics of individuals entering employment. This is the same population covered by Work Requirement Employment Report.

5. Work Requirement Employment Report by County

This county break-out is a cumulative number of individuals entering employment during the reporting period.
