OFFICE OF FAMILY STABILITY LETTER #15
January 12, 2004

TO: Directors, County Departments of Job and Family Services

FROM: Jeanne Carroll, Deputy Director
Office of Family Stability

SUBJECT: WINTER FLOOD 2004

The purpose of this letter is to describe the funding available for families and certain individuals affected by the recent floods throughout Ohio. Due to recent flood emergencies, the Governor has declared a state of emergency for sixteen counties in Ohio. These counties are being granted additional funding for the Winter Flood 2004 program. The counties affected by this letter are Athens, Belmont, Butler, Fairfield, Franklin, Guernsey, Harrison, Jefferson, Monroe, Morgan, Noble, Perry, Ross, Tuscarawas, Warren and Washington. Other counties may be added at a later date, if or when declared by the Governor to be in a state of emergency.

PRC Funds for families -

Disaster-related PRC assistance is discussed in OWF/PRC Guidance Letter #17. The procedures described in OWF/PRC Guidance Letter #17 shall be followed. It may be necessary for counties to amend/revise their PRC plans to access these additional funds if the current plan does not reflect the inclusion of disaster assistance procedures. In accordance with OWF/PRC Guidance Letter #17, in order to qualify for PRC services, there are certain conditions that must be met, including evidence of economic need. It is recommended that counties adopt 200% of the federal poverty level.

In addition to the restrictions discussed in OWF/PRC Guidance Letter #17, due to the widespread damage in these counties, it is necessary to monitor the usage of TANF funds. Each county will initially receive \$200,000 with an approved PRC plan. Request for amounts above \$200,000 must be approved by the Office of Family Stability.

Payments for families, under the Winter Flood 2004 program should be entered into CRIS-E as hard services.

Non - TANF funds for elderly and disabled individuals -

Non-TANF funds are also available to provide a one-time cash payment of up to \$750 to elderly and disabled individuals without a minor child who have been adversely affected by the emergency condition. Only one payment may be made per dwelling. If a disaster-related PRC payment pursuant to OWF/PRC Guidance Letter #17 has been made on behalf of a resident of the same dwelling, there is no eligibility for assistance under the Winter Flood 2004 program. The Winter Flood 2004 program will begin **Monday January 12, 2004** and run through close of business on **Friday February 13, 2004** contingent upon funding.

In order to qualify for a payment under the Winter Flood 2004 program, the following conditions must be met:

- (1) The individual must be age 55 or over and childless, or;
- (2) The individual must be childless and in receipt of disability benefit payments such as Supplemental Security Income (SSI), Social Security Disability, VA Disability, PERS Disability, Railroad Retirement Disability, Black Lung Benefits, etc., and;
- (3) The individual must be a resident of one of the designated counties, and;
- (4) The individual must have been adversely affected by the emergency condition, and;
- (5) The individual must be in need as defined by the county. For purposes of this provision, need is determined by comparing the household's total available income to the need standard/poverty level set by the county. It is recommended that counties adopt 200% of the federal poverty level as the need standard/poverty level.

Payments for disabled and elderly individuals, under the Winter Flood 2004 program should not be entered into CRIS-E or the PRC-WRT tracking system. However, in order to estimate expenditures for future declared disasters involving this population, we are asking that affected counties track the number of individuals served under the Winter Flood 2004 program and e-mail the numbers to Karen Ernes at ernes@odjfs.state.oh.us by the close of business on Friday of each week until the program ends.

For non-TANF funds, each county will be authorized up to \$25,000. No additional funding above this amount will be available for this specific disaster episode.

Notice and county conference procedures: The Winter Flood 2004 program benefits for elderly and disabled individuals are not subject to state hearing regulations, however, the CDJFS will need to provide written notification on application decisions as well as notification to applicants of the right to a county conference. Sample approval and denial notices are attached and may be reproduced on county letterhead.

In order to receive funds, each affected county must submit a plan outlining the following criteria:

- \$ Categories or types of assistance that will be provided,
- \$ The county's application process,
- \$ The county's need standard/poverty level

The plan should be submitted to:

Office of Family Stability
Karen Ernes, Section Chief
Cash Assistance Policy Section
Fax number: 614/466-1767
Phone number: 614/466-6024
E-mail: ernes@odjfs.state.oh.us
