Topic: CFIS Alert: Child Care Funding Change

---

Beginning December 29, 2008 and with the draw request for Week 1, counties will not have the ability to request Child Care funding from TANF (grant header JFSFTF09-3V60-100%). However, counties can still draw from the CCDF funding (grant header JFSFCM09-3H70-55%-GRF-45%) for Child Care services.

Counties will regain access to TANF Child Care during February 2009 and will be notified accordingly.

The Week 52 draw will pay on Monday, January 5, 2009 as uploaded and BCFTA will manually adjust any vouchers already created/submitted for future weeks to reflect the change.
