Topic: CFIS Alert: INF45 File Processing Errors

---

Today's INF45 file has not yet successfully processed this morning and is, therefore, not available for download. Local agencies that have already downloaded the INF45 file this morning will have received yesterday's expenditure data. MIS is working to successfully run these files as soon as possible.

Please refrain from downloading the file at this time. Counties will be notified when the current INF45 file is available for download.

**Please contact your ODJFS Fiscal Supervisor if you have any questions and thank you for your cooperation.**

Thanks,
