Topic: CFIS Alert – INF45 and INF46 Processing Delays

---

The current INF45 and INF46 files are still processing in the OAKS system, and are therefore not yet available for download. Local agencies that have already downloaded these files this morning have received outdated data. MIS is working to get these files processed as soon as possible.

Please refrain from downloading files at this time. Counties will be notified when the current INF45 and INF46 files are available for download, and advised to download all files at that time.

**Please contact your ODJFS Fiscal Supervisor if you have any questions and thank you for your cooperation.**

Thanks.
