Topic: CFIS Alert – INF45 and INF46 File Processing Delays

---

The INF45 and INF46 files from yesterday did not get processed until late afternoon. Additionally, OAKS has informed us that today's files have not been processed and therefore are not available for download.

Local agencies that have already downloaded these files this morning have received outdated data. MIS and the OAKS team are working to get these files processed as soon as possible.

Please refrain from downloading files at this time. Counties will be notified when the current INF45 and INF46 files are available for download.

**Please contact your ODJFS Fiscal Supervisor if you have any questions and thank you for your cooperation.**

Thanks,
