Topic: CFIS Alert – INF45 and INF46 Processing Delays

Due to delays with the state's OAKS system, today's INF45 and INF46 files are not yet available for download. Local agencies that have already downloaded these files this morning received outdated data. MIS is working with the OAKS team to successfully run these files as soon as possible.

Please refrain from downloading files at this time. Local agencies will be notified when the current INF45 and INF46 files are available for download.

Please contact your ODJFS Fiscal Supervisor if you have any questions and thank you for your cooperation.

Thanks,
CFIS Help Desk
