Topic: CFIS Alert – INF45 and INF46 File Processing Delays

---

The INF45 and INF46 files were not transferred from OAKS this morning. MIS is working to have these files processed as soon as possible. Local agencies that have already downloaded these files this morning received outdated data.

Please refrain from downloading files at this time. Local areas will be notified when the current INF45 and INF46 files are available for download.

**Please contact your ODJFS Fiscal Supervisor if you have any questions and thank you for your cooperation.**

Thanks,
