Topic: CFIS Update: INF45 and INF46 File Processing Complete

OAKS has confirmed the transfer of files is complete and MIS has been able to successfully run the INF45 and INF46 files. The files are now available for download.

Local agencies that downloaded files prior to 11:05 a.m. this morning received outdated data. Therefore, we ask that all local agencies re-process their downloads and re-submit your uploads at this time.

Please contact your ODJFS Fiscal Supervisor if you have any questions and thank you for your cooperation.

Thanks,
CFIS Help Desk
