Topic: OFS/BCFTA Update - QuIC+ v.6.8 & ACRS+ v.1.6

Counties received the release version 6.8 of QuIC+ Thursday, March 19, 2009 and version 1.6 of ACRS+ on Monday, March 23, 2009. The releases **must be installed by COB Thursday, March 26, 2009** in order to receive the **next updates** that will be released on Friday, March 27, 2009.

Note: Failure to install release of these versions (v6.8/v1.6) will prevent a county from downloading the Friday, March 27, 2009 update.

Friday, March 27, 2009: The release includes the following two flags for download (applicable to systems that have installed the v6.8/v1.6 update):

- Flag 1 - The flag allows PA agencies to draw from Federal Food Stamp and Federal Medicaid allocations using mandated share or local as match.

***Note: A Form 1870 must be completed when local is used as match**

- Flag 2 - The flag allows PA agencies to post expenditures to different Child Care funding lines. This will help line up draws to expenditures.
