Topic: OFS/BCFTA Update - Weekly CSEA Draw Requests

Due to ongoing issues with the OAKS/CFIS payment system, child support agencies will not be receiving the State Match or OCS Incentive Match portion of draws as requested. This change will apply to the Week 12 draw requests and for subsequent draws, until further notice. It is anticipated that these issues will be resolved when the July - December 2008 child support closeout payments have been distributed to counties. Therefore, all State Match and OCS Incentive Match dollars requested will be held.

Additionally, the federal grant award cash balance is insufficient at this time to process the federal portion of the child support draw requests, until Fiscal has received the new grant authority from the federal Office of Child Support. The grant award is anticipated to be available by April 3, 2009. At that time draw requests from Week 13 will be processed.
