Topic: CFIS Alert – INF45 and INF46 File Processing Delays

---

Due to unusually high volume in the OAKS system last night, the OAKS nightly batches are still processing. As a result, the INF45 and INF46 files are not yet available for download. Local agencies that have already downloaded these files this morning received outdated data. Please refrain from downloading files at this time. Local areas will be notified when the current INF45 and INF46 files are available for download.

**Please contact your ODJFS Fiscal Supervisor if you have any questions and thank you for your cooperation.**

Thanks,
