Topic: CFIS Alert – INF46

---

Please be advised that an error was encountered with CFIS FS this morning. Local agencies that downloaded interface files prior to 8:00 AM received yesterday's expenditure file (INF46).

This issue was resolved at 8:00 AM and local agencies should re-download ALL interface files before proceeding with daily activities. Likewise, local agencies who may have uploaded expenditure files prior to 8:00 AM should also re-upload them.

We apologize for any inconvenience this may have caused.

**If you have any questions or concerns, please contact your Fiscal Supervisor or e-mail the CFIS Help Desk at [CFIS\\_HELP\\_DESK@jfs.ohio.gov](mailto:CFIS_HELP_DESK@jfs.ohio.gov)**

Thank you.
