Topic: **HMG Interim Budget**

Questions have been raised regarding the Help Me Grow (HMG) draw payments county agencies received for Weeks 1 - 2 during the SFY 2010 interim budget period and anticipated for the final Week 3 interim budget period. ODJFS understands that most county agencies do not have the ability to implement the mechanisms that would allow them to expend these funds within the allotted timeframe (including an open contract to utilize these funds).

In order to assist in resolving this issue, please contact your Fiscal Supervisor by 3:00 P.M. Monday, July 20th if your county has utilized its HMG payments for SFY 2010 HMG activities.

Once we know the extent to which HMG funds have been utilized, we will be able to provide additional guidance.
