Topic: **HMG Update**

A big thanks to those counties that were able to provide feedback on the usage of the HMG funds distributed during the Interim Budget period. The following message clarifies the status of the HMG funds distributed:

- Agencies' SFY 2010/11 TANF allocations will not be reduced by any portion of the HMG payments issued under the Interim Budget period.
- If your county has spent/obligated any of the HMG dollars distributed during the Interim Budget period, the state agencies (OBM, ODJFS, and ODH) will work together to reconcile those payments after expenditures are reported.
- Interim Budget HMG payments that have not been spent/obligated by the counties to date will be recoded by ODJFS to the FFY09 TANF allocation.
