**Topic:** CSEA Incentive Update

---

In January 2010, ODJFS notified each CSEA of their Calendar Year 2010 Child Support Monthly Incentives amount. This notification also informed CSEAs that the ODJFS Office of Child Support was withholding \$500,000 of the “bump” adjustment.

ODJFS is in the process of allocating the previously withheld \$500,000 to the CSEAs. This funding will be allocated based on current CSEA incentive methodology and will be issued as a lump sum payment during the week of August 9th.

Counties will also receive supplemental addendums at the end of the quarter with notification of the amount.

Please contact your ODJFS Fiscal Supervisor if you have any questions.

Thank you.
