Date: December 21, 2010  
Sequence: 2011-10A  
Topic: **State-Funded Allocations**

---

In an effort to provide additional resources for county family services agencies during this time of financial constraint, and after working in collaboration with OBM Director J. Pari Sabety, ODJFS Director Douglas Lumpkin has successfully secured the release of the 10 percent holdback for the following state-funded county allocations:

**State Child Support**

**Income Maintenance Control**

**Child, Family and Adult Community Protective Services**

**Kinship Permanency Incentive**

County agencies can expect to see the increases in their state fiscal year budgets reflected in their local systems this week.

Please contact your ODJFS Fiscal Supervisor if you have questions.
