

Date: September 26, 2012
Sequence: 2013 - 11
Topic: Federal Pass- Thru Funding Allocation Amounts

For the past few years, ODJFS has provided the entire statewide appropriation amount as the budget to each county for Pass-Thru Funding. However, CFIS Web requires us to enter individual budgets for each county.

Therefore, each county's initial budget for each Pass-Thru Funding Allocation will be either the average of their last two years' reported expenditures or the total of their last 4 completed quarters' reported expenditures - whichever is greater. Counties with no reported expenditures over either time period will receive a minimum budget.

Counties may request additional funding as necessary throughout the funding period by contacting the BCFTA Help Desk via e-mail at CFIS_HELP_DESK@jfs.ohio.gov.

County budget amounts will be communicated via the CFIS Web Subgrant Notice of Awards within the next few days.

Please contact your ODJFS Fiscal Supervisor if you have any questions.
