

Date: December 3, 2012

Sequence: 2013 - 14

Topic: Alternative Response and Differential Response Funding Webinar

The Office of Families and Children in collaboration with BCFTA are offering an opportunity for staff to participate in a webinar on "Alternative Response and Differential Response Funding." This training will provide an overview of the differential response activities and amounts available for reimbursement. Additionally, the training will provide an overview of fiscal changes during state fiscal year (SFY) 2013 in rounds five to ten of the statewide rollout. Webinar participants will also have the opportunity to ask questions during the webinar.

The following is the time and registration link for the session.

Monday, December 10th 10-11:30
