

Date: June 22, 2016

Sequence: BCFTA Update 2016- 07

Topic: FAET Period of Availability

As a result of a management evaluation of Ohio's Food Assistance Employment and Training Program conducted by the United States Department of Agriculture, Food and Nutrition Services (FNS), ODJFS received clarification of the actual date final federal reports are due to FNS. This new information has resulted in a change to the liquidation period for the FAET allocations.

Effective immediately, there will no longer be a liquidation period for the FAET allocations. FAET allocations will continue to have an end date of 9/30 as final reports are due to FNS by 12/31.

Please contact your ODJFS Fiscal Supervisor if you have any questions.
