Due by 30th

PCSA - Ensure 4281 data has been reviewed and any necessary adjustments have been completed

(March, June, Sept., Dec.)**Needed for "current" quarter:**By 5th business day after
last RMS hit expiresIn Web RMS - Close all applicable RMS samples.
Import all applicable closed / final RMS data into CFIS Web

Due by 18th

- * Import Closed / Final RMS data for each subset / cost pool (IM, SS, CS, CW, WF, WI - as applicable).
- * Ensure Financial Data is Imported / Entered for prior month
- * Allocate and Approve Cost Allocations for prior month.
Repeat cost allocation and approval for first month since final RMS data was imported after the month was previously allocated.
- * PA - Perform Subset Transfer(s) for prior month (combined agencies)
- then reallocate costs in "receiving" subset(s).
- * CSEA / PCSA - Perform Difference in Contract Adjustment (if applicable) with "101" coding
- * WIA - Perform RMS adjustment (if applicable) with "102" coding

Note: WIA Subs - in order for Fiscal Agent (FA) to meet deadlines noted above, FA needs additional time for processing and will require earlier deadlines for sub area submission. If a sub area is not meeting the required deadlines and holds-up the FA from processing, then your agency should expect a phone call being made to your agency director.
