

**ODJFS Methods for  
Administrative Capacity Performance Measures**

**Provider Agreement Effective July 1, 2005 to June 30, 2006**

**Contact: Mary Beth Blome**  
**Issued: July 21, 2005**

## **Compliance Assessment System**

*The number of points accumulated for one contract year (one state fiscal year) through the Compliance Assessment System. Points accumulate for only one year; no points are carried over from a previous contract year to the current contract year. Points are assessed and accumulate as outlined in Appendix N of the Provider Agreement.*

**Data Source:** Contract Administration Section of BMHC.

**Report Period:** July 1, 2005 - June 30, 2006

## Emergency Department Diversion Measure

*The percentage of enrollees who had four or more emergency department (ED) visits during the six month reporting period.*

**Numerator:** Number of MCP Medicaid members in the denominator with four or more ED visits during the six month reporting period.

**Denominator:** Members who were enrolled for at least five months with the plan during the six month reporting period and who were enrolled during the last month of the reporting period.

**Data Source:** Encounter Data. Institutional and non-institutional encounters are searched for evidence of an ED visit using the codes listed below. If a recipient had multiple ED encounters for the same date of service, then these encounters are counted as one encounter.

**Report Period:** For the SFY 2006 contract period, a baseline level of performance will be set using the January – June 2005 report period. Results will be calculated for the reporting period of July – December 2005 and compared to the baseline results to determine if the minimum performance standard is met. For the SFY 2007 contract period, a baseline level of performance will be set using the January – June 2006 report period. Results will be calculated for the reporting period of July – December 2006 and compared to the baseline results to determine if the minimum performance standard is met.

Codes to Identify Emergency Department Visits		
CPT-4 Codes	OR	Revenue Center Codes
99281, 99282, 99283, 99284, 99285		450-452, 459, 981

**Exclusions:** CPT-4 Code of 99281-99285 in combination with a revenue center code of '456' (urgent care). Place of service code of '20' (urgent care).
