RE: Mass Layoff at ABX Air, Inc.

RECEIVED
OHIO DEPARTMENT
JOB & FAMILY SERVICES
2008 AUG 27 A 5:47
OFFICE OF
WORKFORCE DEVELOPMENT

To Whom It May Concern:

We hereby give you notice that ABX Air, Inc. will conduct a permanent mass layoff at our facility located at 145 Hunter Drive, Wilmington, OH 45177, beginning 60 days from the date of this notice and ending on October 24, 2008.

We enclose three lists. The first relates to non-unionized employees and show the job titles of each of the positions that will be eliminated and the number of individuals currently holding those jobs who will be impacted by this mass layoff. Our hourly, non-unionized employees do have bumping rights.

The second list relates to non-unionized exempt and non-exempt salaried employees and shows the job titles of each of the positions that will be eliminated and the number of individuals currently holding those jobs who will be impacted by this mass layoff. These employees also do not have bumping rights.

The third list contains similar information concerning the unionized employees. The unionized employees at the facility are represented by the International Brotherhood of Teamsters Local 1224. The President and chief elected officer of Local 1224 is David Ross, 2754 Old State Route 73. These affected, unionized employees are the lowest individuals on the pilot seniority list and, accordingly, do not have bumping rights under the terms of their collective bargaining agreement.

This notice is being provided to you pursuant to the Worker Adjustment and Retraining Notification Act of 1988, which requires employers to give official notice to certain government units or officials of a pending mass layoff. If you have questions, please contact me at 937-366-2096.

Sincerely,

John Starkovich
VP of Human Resources
