Catholic Charities - Geauga County - Incredible Years: Provides a behavioral health service to help families and individuals strengthen and enrich their relationships. Services include counseling, both individual and group for all ages, as well as educational and support groups, parenting classes, referrals, as well as in home assessment for older adults.

Parent Enrichment Group - parents work to increase their positive communication skills, limit setting abilities, problem solving and anger management skills.

Dinosaur School - children learn how to communicate effectively, how to handle conflict through problem solving, and how to behave appropriately at school and at home. Dinosaur School will also promote the child's positive self esteem and general social competence.
