

Hi, I'm Doug Lumpkin Director of the Ohio Department of Job and Family Services. April is National Child Abuse and Neglect Prevention Month. During this month and throughout the year, the Ohio Children's Trust Fund is dedicated to creating positive changes for families by reducing the risk of child abuse and neglect across Ohio. You too can make a positive change by visiting the Ohio Children's Trust fund at jfs.ohio.gov and learning how to help in preventing child abuse and neglect in your community.
