

Changes Coming to Ohio's Child Support Program

Starting on July 1, 2019, the Ohio e-QuickPay Debit MasterCard will be discontinued, and a new card will take its place: the smiONE payment card.

For a smooth transition:

- **Make sure your child support enforcement agency (CSEA) has your correct address on file.**
- **Keep your e-QuickPay card until you spend down the balance. The balance will NOT transfer, and it still can be used after July 1.**
