ODJFS REQUEST FOR PROPOSALS (RFP):

Economic Study for 2009 Child Support Guidelines Council

RFP#: R-89-09-8004

SECTION I. GENERAL PURPOSE & VENDOR INFORMATION

1.1 Purpose

The Ohio Department of Job and Family Services (ODJFS) releases this Request for Proposals (RFP) for the purpose of obtaining professional services from colleges / universities and/or an economic research consultant with experience in social research, analysis with economic in families, child rearing, and child welfare to support ODJFS in meeting the requirements of the 2009 Child Support Guidelines Council as prescribed in federal regulations 45 CFR 302.56 and in Ohio Revised Code Section 3119.024. The Ohio Department of Job and Family Services is required by the Ohio Revised Code (ORC 3119.021) every four years to review Ohio's basic child support schedule to determine whether child support orders issued in accordance with the schedule and worksheets adequately provide for the needs of the children who are subject to the child support orders. It is required to prepare a report of its review and submit a copy of the report to both houses of the general assembly.

For each four year review, the department is required to establish a child support guideline advisory council to assist the department in the completion of its review and reports. The department is required to consider input from the council prior to the completion of the report to the general assembly.

ODJFS requirements include, but are not limited to, submitting a report to both houses of the general assembly by the first day of March of every fourth year after 1993.

As part of the State's guidelines, the State must consider economic data on the cost of raising children and analyze case data on the application of, and deviations from, the guidelines. The guidelines(per 45 CFR 302.56) must , at a minimum:

1. Take into consideration all earnings and income of the non-custodial parent;
2. Be based on specific descriptive and numeric criteria and result in a computation of the support obligation;
3. Provide for the child(ren)'s health care needs through health insurance or other means.

The vendor selected for this project will perform an economic study and submit to ODJFS reports accordingly, as part of the State's efforts at establishing updated economic guidelines for use by the 2009 Guidelines Council in the establishment of appropriate child support recommendations.

1.2 Issuing Office

This RFP is released by and the subsequent contract(s) will be with ODJFS Office of Child Support, which will administer the contract and is responsible for state level supervision. The mission of the Office of Child Support is to provide the leadership, structure and resources to advance the child support program in Ohio.

If interested vendors have a need to communicate regarding this RFP, they must contact **ODJFS** using one of the mechanisms provided for in **Sections 1.7, Internet Question and Answer Period/RFP Clarification Opportunity, or 1.8, Communication Prohibitions**, of this RFP. Vendors are cautioned that communication attempts which do not comply with these instructions will not be answered, and that ODJFS will not consider any proposals submitted to any address other than the one provided in Section 5.1 of this RFP. Vendor proposals must be submitted to ODJFS in strict accordance with proposal submission instructions provided in **Section 5.1, Proposal Submission Information**.

1.3 Background

Federal law requires each state to conduct a quadrennial review of the statewide child support guidelines used to establish child support orders. Ohio's fifth quadrennial review began when the current Child Support Guidelines Advisory Council convened in January 2008. In addition to reviewing the child support guidelines worksheets and state child support laws and practices that impact how a child support order amount is determined, the Council sponsors an economic study to be used for the purpose of establishing the child support schedule.

The Council has a regular schedule of monthly meetings and may schedule additional meetings as needed. The Council meets to review, consider, discuss, and vote upon child support guidelines-related issues and recommendations. ODJFS will review the recommendations of the Council and provide a written report to the Ohio General Assembly on or before March 1, 2009.

The 2005 Ohio Child Support Guidelines Council Report to the General Assembly is provided for vendor reference as Appendix [A].

1.4 Overview of the Project

The Child Support Guidelines Council has decided to continue Ohio's use of the Income Shares Model for calculation of child support obligations. The basic theory of the Income Shares Model is that child support should be calculated based on the combined income of the parents as if the family were intact, using a worksheet to develop information about the parties' relative positions, and a guideline table to establish the amount of the child support order.

The purpose of this project is to update the mandatory statewide basic child support schedule to be used by support enforcement practitioners (CSEAS, courts, attorneys) in establishing the amount an obligor must pay for child support, an amount that is legally presumed to be the correct amount of support for a child in the circumstances described on the worksheet.

The purpose of the economic study is to establish a sound basis for extrapolation of the basic child support schedule from a combination of U.S. Department of Agriculture data on the cost of raising children and instructions from the Guidelines Advisory Council. The underlying economic data to be used as the foundation for this study is the U.S. Department of Agriculture's annual report entitled "Expenditures on Children by Families" that is effective at the time the contract is awarded. Any other variables that the vendor will be expected to use in conjunction with the USDA information will be provided by the Ohio Child Support Guidelines Advisory Council at any time after the contract is awarded, but no later than 30-60 days before the final work product is due.

The ultimate work product produced will be a basic child support schedule similar to that found in the Ohio Revised Code Section 3119.021. The associated economic study must provide background supporting evidence and documentation regarding the updates to the basic child support schedule. The study and schedule will

accompany the Council's report to the legislature (due March 1, 2009), and therefore must be completed in final form by the vendor and provided to ODJFS in both hard copy and electronic format by February 6, 2009 in order for ODJFS to prepare the report to the legislature. For further information regarding the schedule expected vendor deliverables, see section 1.5.

1.5 Objectives of the Project

The vendor's objective will be to 1) complete an economic study report (including related basic child support schedule tables) and submit a preliminary draft to the Department by December 30, 2008; 2) conduct a presentation of the preliminary final report for the Guidelines Advisory Council at a meeting to be held between the dates of January 12 and January 26, 2009; 3) submit a final report to the Department by February 6, 2009 incorporating adjustments to the study report and/or the related schedule tables as directed by the Council. Direction to the vendor from the Council regarding desired adjustments to the report or schedule tables will be provided to the vendor at the time of the meeting to present the preliminary final draft, but no later than January 30, 2009.

1.6 Anticipated Procurement Timetable

DATE	EVENT/ACTIVITY
September 30, 2008	ODJFS Releases RFP to Potential Vendors on ODJFS Web Site; Q&A Period Opens - RFP becomes active - Vendors may submit inquiries for RFP clarification
October 6, 2008	Vendor Q&A Period Closes, 10 a.m. (for inquiries for RFP Clarification) - No further inquiries for RFP clarification will be accepted

December 1, 2008	Implementation* (estimated—following notification of all contractual and funding approvals) - ODJFS contracts are not valid and effective until the state Office of Budget Management approves the purchase order.

ODJFS reserves the right to revise this schedule in the best interest of the State of Ohio and/or to comply with the State of Ohio procurement procedures and regulations and after providing reasonable notice.

* According to requirements of Ohio Revised Code (ORC) 126.07, ODJFS contracts are not valid and enforceable until the Office of Budget and Management (OBM) certifies the availability of appropriate funding, as indicated by the approval of the Purchase Order (P.O.). The selected vendor may neither perform work nor submit an invoice for payment for work performed for this project for any time period prior to the P.O. approval date. The ODJFS Contract Manager will notify the selected vendor when the requirements of ORC Section 126.07 have been met.

* * Subject to approval by the Controlling Board, the contract period is expected to run from approximately (date) through (date), with a renewal contract to be in effect, contingent upon satisfactory performance, continued availability of funding, and all required approvals, from (date) through (date). Since state law prohibits ODJFS from making financial commitments beyond the fiscal biennium (e.g., 7/01/07 through 6/30/09), the contract with the selected vendor will be subject to renewal for the final (x-month or x-year) period of the project. Renewal may be subject to approval by the Controlling Board.

1.7 Internet Question & Answer Period; RFP Clarification Opportunity

Potential vendors may ask clarifying questions regarding this RFP via the Internet during the Q&A Period as outlined in Section 1.6, Anticipated Procurement Timetable. To ask a question, potential vendors must use the following Internet process:

- * **Access the ODJFS Web Page at <http://jfs.ohio.gov/>**
- * **Select “About Us” on the front page;**
- * **Select “Doing Business with ODJFS;”**
- * **Select “Requests for Proposals, Letterhead Solicitations, and Other Invitations;”**
- * **RFP Number R89098004;**
- * **Select “Ask a Question about this RFP” function; and**
- * **Follow the instructions to send an e-mail question.**

Questions about this RFP must reference the relevant part of this RFP, the heading for the provision under question, and the page number of the RFP where the provision can be found. The potential vendor must also include the name of a representative of the potential vendor, the company name and business phone number. ODJFS may, at its option, disregard any questions which do not appropriately reference an RFP provision or location, or which do not include identification for the originator of the question. ODJFS will not respond to any questions submitted after **10:00 a.m.** on the date the Q&A period closes.

ODJFS responses to all questions asked via the Internet will be posted on the Internet website dedicated to this RFP, for reference by all potential vendors. Potential vendors will not receive personalized or individual e-mail responses. Clarifying questions asked and ODJFS responses to them comprise the “ODJFS Q&A Document” for this RFP. If possible, ODJFS will post an interim Q&A Document, without identifying the vendors asking questions, as well as the final version (in which all vendors that posed questions will be identified). ODJFS strongly encourages vendors to ask questions as early as possible in the Q&A period so that interim answers can be posted with sufficient time for the possibility of vendors’ follow-up questions.

Vendor proposals in response to this RFP are to take into account any information communicated by ODJFS in the Final Q&A Document for the RFP. **It is the responsibility of all potential vendors to check this site on a regular basis for responses to questions, as well as for any amendments or other pertinent information regarding this RFP.**

Accessibility to the ODJFS Q&A Document will be clearly identified on the website dedicated to this RFP, once that document is made available.

IMPORTANT: Requests from potential vendors for copies of previous RFPs, past vendor proposals, score sheets or contracts for this or similar past projects, are Public Records Requests (PRRs), and are not clarification questions regarding the present RFP. PRRs submitted in accordance with directions provided in Section 1.8, Communication Prohibitions, will be honored. The posted time frames for ODJFS responses to Internet questions for RFP clarification do not apply to PRRs.

Vendors are to base their RFP responses, and the details and costs of their proposed projects, on the requirements and performance expectations established in this RFP for the future contract, NOT on details of any current or past related contract. Requirements under a current project may or may not be required by ODJFS under any future contract, and so may not be useful information for vendors who choose to respond to the RFP. If vendors ask questions about existing or past contracts using the Internet Q&A process, ODJFS will use its discretion in deciding whether to provide answers. Interested vendors should also refer to RFP Section 1.9, Time Frames and Funding Source, for related information.

There is an established time period for the Vendor Q&A process (see Section 1.6, Anticipated Procurement Timetable, above). ODJFS will only answer those questions submitted within the stated time frame for submission of vendor questions, and which pertain to issues of RFP clarity, and which are not requests for public information. ODJFS is under no obligation to acknowledge questions submitted through the Q&A process if those questions are not in accordance with these instructions.

* Should vendors experience technical difficulties accessing either the ODJFS website where the RFP and its related documents are published, they may contact the ODJFS Office of Contracts and Acquisitions, RFP/RLB Unit, at (614) 728-5693 for guidance.

1.8 Communication Prohibitions

From the issuance date of this RFP until an actual contract is awarded to a vendor, there may be no communications concerning the RFP between any vendor that expects to submit a proposal and any employee of ODJFS in the issuing office, or any other ODJFS employee, or any other individual regardless of their employment status, who is in any way involved in the development of the RFP or the selection of the contractor.

The only exceptions to this prohibition are as follows:

1. Communications conducted pursuant to Section 1.7, Internet Q&A Period;
2. As necessary in any pre-existing or on-going business relationship between ODJFS and any vendor that could submit a proposal in response to this RFP;
3. As part of any vendor interview process or proposal clarification process initiated by ODJFS, which ODJFS deems necessary in order to make a final selection;
4. If it becomes necessary to revise any part of this RFP, ODJFS will post those revisions, amendments, etc., to the website dedicated to this RFP;* and

5. Any Public Records Request (PRR) made through the ODJFS Office of Legal Services.

*** Important Note:** Amendments to the RFP or to any documents related to it will be accessible to interested vendors through the original web page established for the RFP. All interested vendors must refer to that web page regularly for amendments or other announcements. ODJFS may not specifically notify any vendor of changes or announcements related to this RFP except through the website posting. It is the affirmative responsibility of interested vendors to be aware of and to fully respond to all updated information posted on this web page.

ODJFS is not responsible for the accuracy of any information regarding this RFP that was obtained or gathered through a source other than the Q&A process described in this RFP. Any attempts at prohibited communications by vendors may result in the disqualification of those vendors' proposals.

1.9 Time Frames & Funding Source

ODJFS is seeking to contract with a vendor to conduct an economic study and economic tables using the USDA cost estimates on the current costs of raising a child in Ohio. All work is to be completed between mid-September 2008 and mid-January 2009. Due to budget constraints, there is limited funding available. No renewals or extensions for the selected vendor's contract will be permitted.

Potential vendors are to be aware that ODJFS may, at its sole discretion, negotiate with all technically qualifying vendors for a revised cost proposal if the cost proposals of all technically qualifying vendors are in excess of the available funding for this project. Section 6.1 C. of this RFP establishes further information on ODJFS procedures to be implemented if this occurs.

Include a Table of Organization (including any subcontractors) and a chart showing the number of hours devoted to the project by vendor or sub-contractor staff. The vendor must provide the percentage of time each key management person will devote to the project.

3.3 Specifications of Deliverables

Objective of Deliverables: The vendor participant's objective will be to complete an economic study and to prepare the related economic tables by December 30, 2008 . The underlying economic data to be used as a basis for this study is the U.S. Department of Agriculture's latest annual report "Expenditures on Children by Families, 2006." If a 2007 report is produced by September 1, 2008 it is to be used.

Using the U.S. Department of Agriculture's (USDA) most recent Expenditures on Children by Families, along with variables* to be determined by the Child Support Guidelines Council, conduct an economic study and provide contracted services to include the deliverables identified below. Work outside the deliverables identified below may be identified during the course of the contract. The additional work may be performed only after mutual written agreement between ODJFS and the vendor.

Deliverable A: High level introductory narrative which describes to the audience (i.e. ODJFS staff, Child Support Guidelines Council) the reasons for the economic study (i.e. 45 CFR 302.56, Ohio Revised Code 3119.024) and provides a description of the methodology used by the vendor to derive the estimated costs represented in Deliverable B (Child Support Schedule) and Deliverable C (Comparison of Obligations).

Deliverable B: Proposed Child Support Cost Schedule. This schedule is to be based on USDA most recent Expenditures on Children by Families data. Tables must use the cost and comparison variables that will be provided by to Ohio Child Support Guidelines Council by March 1, 2009, and should be in the form of a table similar to the table found in the Ohio Revised Code Section 3119.021. The schedule will be utilized by Ohio's Child Support Guidelines Council to consider modifications to the existing Ohio Child Support Guidelines for child rearing costs.

Deliverable C: Comparison of Current Child Support Obligations from the existing schedule found in Revised Code Section 3119.021, to the proposed schedule. These comparisons will be used by ODJFS and other interested parties to determine the need to increase or decrease the child support financial obligation of the responsible party.

Note: All reports should be provided in paper copy as well as on CD-ROM using Microsoft Word (any version).

SECTION IV. CONDITIONS AND OTHER REQUIREMENTS

Through this section of the RFP, ODJFS notifies vendors seeking award of a contract of certain conditions and requirements which may affect their eligibility or willingness to participate in any procurement (RFP, RLB, etc.) process; or their eligibility to be awarded a contract; and of requirements that would be in effect should they be awarded a contract.

- H. The selected contractor shall be required to comply with prevailing wage standards, as established in ORC 4115.03 to 4115.16.

4.7 Travel Reimbursement

Travel should be folded into the overhead, per diem, or the hourly rates which are built into the cost of the deliverables. Travel is not to be listed separately unless otherwise specified in Section 5.2 C. (Proposal Format and Submission – Cost Proposal) of this RFP.

4.8 Minority Business Enterprise

ODJFS is required by Section 125.081(B) and 123.151 of the ORC to award fifteen percent (15%) of its total procurements to vendors certified as Minority Business Enterprises (MBE). Ohio certified MBE is defined in ORC Section 122.71. If the proposal is not submitted by a certified MBE, the vendor is strongly encouraged to subcontract a minimum of fifteen percent (15%) of the total contract price to an Ohio certified MBE.

The proposal must clearly indicate the name of the proposed Ohio MBE vendor and the exact nature of the work to be performed under the proposed subcontract. The proposal must include a letter from the proposed MBE, signed by a person authorized to legally bind the subcontractor, indicating the following:

1. The subcontractor's legal status, federal tax ID number, and principle business address;
2. The name, phone number, and fax number of a person who is authorized to legally bind the subcontractor to contractual obligations;
3. A complete description of the work the subcontractor will do;
4. A commitment to do the work, if the vendor is selected;
5. A statement that the subcontractor has and understands the RFP, the nature of the work, and the requirements of the RFP; and
6. A copy of the Ohio MBE certificate.

There may be no dollar amounts of any kind included with the MBE information; inclusion of dollar amounts will result in the disqualification of the primary vendor's entire proposal.

A listing of Ohio certified MBEs can be accessed through the Ohio Department of Administrative Services (DAS) Web Site at: <http://das.ohio.gov/Eod/MBESearch/index.asp>.

While ODJFS strongly encourages the use of MBE subcontractors, the vendor's use of an MBE subcontractor will have no effect on vendors' technical scores or on final contractor selection for this RFP, **unless** Section VI, Criteria for Proposal Evaluation and Selection of this RFP (and/or the Technical Proposal Score Sheet for this RFP) affirmatively establish an MBE participation criterion.

4.9 Subcontractor Identification and Participation Information

Any vendors proposing to use a subcontractor for any part of the work described in this RFP must clearly identify the subcontractor(s) and their tasks in their proposals. The proposal must include a letter from the

proposed subcontractor(s), signed by a person authorized to legally bind the subcontractor, indicating the following:

1. The subcontractor's legal status, federal tax ID number, and principle business address;
2. The name, phone number, and fax number of a person who is authorized to legally bind the subcontractor to contractual obligations;
3. A complete description of the work the subcontractor will do;
4. A commitment to do the work, if the vendor is selected;
5. A statement that the subcontractor has read and understands the RFP, the nature of the work, and the requirements of the RFP.

There may be no dollar amounts of any kind included with sub-contractor information; inclusion of dollar amounts will result in the disqualification of the primary vendor's entire proposal.

4.10 Public Release of Records

Public release of any evaluation or monitoring reports funded under this agreement will be made only by ODJFS. Prior to public release of such reports, ODJFS must have at least a 30-day period for review and comment.

4.11 Confidentiality

All contracts will require that the contractor maintain the confidentiality of information and records which state and federal laws, rules, and regulations require to be kept confidential.

4.12 Key Personnel

ODJFS will require a clause in the resulting contract regarding key personnel in that any person identified as critical to the success of the project may not be removed without reasonable notice to ODJFS, and replacements will not be made without ODJFS approval.

4.13 Ethical & Conflict of Interest Requirements

- A. No contractor or individual, company or organization seeking a contract shall promise or give to any ODJFS employee anything of value that is of such character as to manifest a substantial and improper influence upon the employee with respect to his or her duties;
- B. No contractor or individual, company or organization seeking a contract shall solicit any ODJFS employee to violate any of the conduct requirements for employees;
- C. Any contractor acting on behalf of ODJFS shall refrain from activities which could result in violations of ethics and/or conflicts of interest. Any contractor or potential contractor who violates the requirements and prohibitions defined here or of Section 102.04 of the ORC is subject to termination of the contract or refusal by ODJFS to enter into a contract; and
- D. ODJFS employees and contractors who violate Sections 102.03, 102.04 2921.42 or 2921.43 of the ORC may be prosecuted for criminal violations.

4.14 Health Insurance Portability & Accessibility Act (HIPAA) Requirements

As a condition of receiving a contract from ODJFS, the contractor, and any subcontractor(s), will be required to comply with 42 U.S.C. Sections 1320d through 1320d-8, and to implement regulations at 45 C.F.R. Section 164.502 (e) and Sections 164.504 (e) regarding disclosure of protected health information under the Health Insurance Portability and Accountability Act (HIPAA) of 1996. Protected Health Information (PHI) is information received by the contractor from or on behalf of ODJFS that meets the definition of PHI as defined by HIPAA and the regulations promulgated by the United States Department of Health & Human Services, specifically 45 CFR 164.501 and any amendments thereto. The selected vendor can reasonably anticipate HIPAA language in the contract that results from this RFP.

In the event of a material breach of contractor obligations under this section, ODJFS may at its option terminate the contract according to provisions within the contract for termination.

4.15 Waiver of Minor Proposal Errors

ODJFS may, at its sole discretion, waive minor errors or omissions in vendors' Technical and/or Cost proposals/forms when those errors do not unreasonably obscure the meaning of the content.

4.16 Proposal Clarifications

ODJFS reserves the right to request clarifications from vendors of any information in their Technical and/or Cost proposals/forms, and may request such clarification as it deems necessary at any point in the proposal review process.

4.17 Contractual Requirements and Prevailing Wage Requirements

Any contract resulting from the issuance of this solicitation is subject to the terms and conditions as provided in the model contract, which is provided as **Attachment D**, to this RFP. Potential vendors are strongly encouraged to read the model contract and to be fully aware of ODJFS' contractual requirements. Additionally, the selected contractor will be required to comply with prevailing wage standards, as established in ORC 4115.03-4115.16.

4.18 Unresolved Findings for Recovery (R.C. 9.24)

ORC Section 9.24 prohibits ODJFS from awarding a contract to any entity against whom the Auditor of State has issued a finding for recovery, if the finding for recovery is "unresolved" at the time of award. By submitting a proposal, the vendor warrants that it is not now, and will not become, subject to an "unresolved" finding for recovery under R.C. 9.24 prior to the award of any contract arising out of this RFP, without notifying ODJFS of such finding. ODJFS will review the Auditor of State's website prior to completion of evaluations of proposals submitted pursuant to this RFP. ODJFS will not evaluate a proposal from any vendor whose name, or the name of any of the subcontractors proposed by the vendor, appears on the website of the Auditor of the State of Ohio as having an "unresolved" finding for recovery.

4.19 Mandatory Contract Performance Disclosure

Each proposal must disclose whether the vendor's performance, or the performance of any of the proposed subcontractor(s), under contracts for the provision of services that are the same or similar to those to be provided for the project which is the subject of this RFP has resulted in any "formal claims" for breach of those contracts. For purposes of this disclosure, "formal claims" means any claims for breach that have been filed as a lawsuit in any court, submitted for arbitration (whether voluntary or involuntary, binding or not), or assigned to mediation. If any such claims are disclosed, vendor shall fully explain the details of those claims, including the allegations regarding all alleged breaches, any written or legal action resulting from those allegations, and the results of any litigation, arbitration or mediation regarding those claims, including terms of any settlement. While disclosure of any formal claims in response to this section will not automatically disqualify a vendor from consideration, at the sole discretion of ODJFS, such claims and a review of the background details may result in a rejection of the vendor's proposal. ODJFS will make this decision based on its determination of the seriousness of the claims, the potential impact that the behavior that led to the claims could have on the vendor's performance of the work, and the best interests of ODJFS.

4.20 Mandatory Disclosures of Governmental Investigations

Each proposal must indicate whether the vendor and any of the proposed subcontractor(s) has been the subject of any adverse regulatory or adverse administrative governmental action (federal, state, or local) with respect to vendor's performance of services similar to those described in this RFP. If any such instances are disclosed, vendor must fully explain, in detail, the nature of the governmental action, the allegations that led to the governmental action, and the results of the governmental action including any legal action that was taken against vendor by the governmental agency. While disclosure of any governmental action in response to this section will not automatically disqualify a vendor from consideration, such governmental action and a review of the background details may result in a rejection of the vendor's proposal at the sole discretion of ODJFS. The decision by ODJFS on this issue will be based on a determination of the seriousness of the matter, the matter's potential impact on the vendor's performance of the work, and the best interests of ODJFS.

4.21 Mandatory Disclosures of Work Location

Proposals must explicitly state the location(s) (city, state/province, country) where work described in this RFP would be performed, whether by the vendor or by any subcontractors.

4.22 Vendor Selection Restriction

Any vendor deemed not responsible, or submitting a proposal deemed not to be responsive to the terms of this RFP, shall not be awarded the resulting contract.

4.23 Declaration of Material Assistance Requirements

Any vendor responding to any ODJFS RFP, RLB, or any other procurement opportunity is required to provide certification that the vendor has not provided material support or resources to any organization listed on the "Terrorist Exclusion List" (TEL) maintained by the U.S. Department of State. The Declaration of Material Assistance Form, provided as **Attachment C**, to this RFP, must be printed, completed, and signed by the interested vendor's authorized representative, and returned to ODJFS as a component of the vendor technical proposal/bid. Failure to properly complete the form or to provide it as part of the proposal submitted to ODJFS may result in the disqualification of the vendor's proposal from consideration.

Vendors may access the TEL from the Ohio Homeland Security Office website, located at www.homelandsecurity.ohio.gov.dma.asp or via e-mail to dma-info@dps.state.oh.us for the current list of excluded organizations and additional information.

4.24 Ohio Presence Consideration

The vendor that is awarded the contract resulting from this RFP is required to maintain a physical presence in Ohio throughout the term of the contract, including all renewal periods. Therefore, each vendor must either demonstrate in its proposal that it currently has a physical presence in Ohio or demonstrate concrete plans for establishing a physical presence, to include the actual or proposed location of the vendor's presence. Vendor proposals must identify the work to be performed for this project at that location and identify vendor personnel, either by staff name or function that will operate from the Ohio location. ODJFS reserves the right, at its sole discretion to reject any proposals which fail to comply with this requirement.

Vendors that can demonstrate in their proposals that they either currently have a physical presence in Ohio or have concrete plans for establishing a physical presence will be given additional scoring consideration. In order to be acknowledged as a vendor with an Ohio presence, vendors must comply with instructions provided in this RFP, Section 5.2, Format for Organization of the Proposal, and provide information on the nature of the work and the number and type of vendor personnel at the Ohio location. Details of how an Ohio presence will be considered in the proposal scoring process are provided in Section 6.1, Scoring of Proposals.

SECTION V. PROPOSAL FORMAT & SUBMISSION

5.1 Proposal Submission Information

ODJFS requires proposal submissions in both paper and electronic format. The proposal must be prepared and submitted in accordance with instructions found in this Section. The proposal submission must be comprised of:

- **six (6)** paper copies (one signed original and five copies) and one CD-ROM copy of the Technical Proposal;

AND

- in a sealed, separate envelope, **six** paper copies (one signed original and five copies) and one CD-ROM copy of the Cost Proposal.

The vendors' total proposal submissions (both the technical and cost proposals in all required copies) must be received by ODJFS complete no later than 3:00 p.m. on **October 26, 2008** Faxes or e-mailed submissions will not be accepted. **Proposals must be addressed to:**

**Office of Contracts & Acquisitions

Vendors' original technical and cost proposals must contain all the information and documents specified in Section 5.2, "Format for Organization of the Proposal." All copies (both paper and CD-ROM) of the original proposal must include copies of ALL information, documents, and pages in the original proposal.

Along with the Technical proposal, the vendor must submit the Cost Proposal in a separate, sealed envelope/package labeled: **"NOTE: DO NOT OPEN. COST PROPOSAL ENCLOSED FOR ECONOMIC STUDY FOR 2009 CHILD SUPPORT GUIDELINES COUNCIL, RFP#: R-89-09-8004 SUBMITTED BY [VENDOR'S NAME HERE]."**

The CD-ROM copy of the Technical Proposal must include all components of the technical proposal, including any required or voluntary attachments to it. The CD-ROM copy of the Cost Proposal must include all cost proposal components, including any required or voluntary attachments. **The CD-ROM containing the Cost Proposal must be submitted in the sealed envelope containing the hardcopy Cost Proposal.** Both CD-ROMs must be labeled with the vendor's name, the RFP number, and the proposal submission date or proposal due-date, at minimum. The requested CDs will be used by ODJFS for archiving purposes and for fulfillment of Public Records Requests, and failure to include them or to properly label them may, at ODJFS discretion, result in the rejection of the vendor from any consideration.

All proposal submissions must be received, complete, at the above address, via mail or hand delivery by the above date and time. Materials received separately from a vendor's proposal submission (*e.g.*, letters of recommendation from past customers of the vendor's services) will not be added to the proposal nor considered in the review and scoring process. Materials received after the date and time as stated above will not be included in any previous submissions, nor will they be considered. ODJFS is not responsible for proposals incorrectly addressed or for proposals delivered to any ODJFS location other than the address specified above. No confirmation of mailed proposals can be provided.

For hand delivery on the due date, vendors are to allow sufficient time for downtown parking considerations, as well as for security checks at both the lobby of the Rhodes State Office Tower (address as stated above) and again on the 31st Floor. All proposals received on the due date by the Office of Contracts & Acquisitions, on the 31st Floor of the Rhodes Tower. **ODJFS is not responsible for any proposals delivered to any address other than the address provided above.**

Submission of a proposal indicates acceptance by the vendor of the conditions contained in this RFP, unless clearly and specifically noted in the proposal submitted and confirmed in the contract between ODJFS and the vendor selected.

5.2 Format for Organization of the Proposal

A. Overall Proposal Organization

A sample Technical Proposal Score Sheet is provided as **Attachment E.** of this RFP. **Vendors are strongly encouraged to use the Score Sheet to check their proposals for quality, compliance, and completeness prior to submission.**

The vendor's Technical Proposal must contain the following components (organized in five (5) primary tabs and divided into sub-tabs) as described below. Any other information thought to be relevant, but not applicable to a specific RFP section number/letter must be provided as an appendix to the proposal and so marked as an additional tab. ODJFS reserves the right not to

review submitted appendices which includes information/materials not required in the RFP. All pages beyond Tab 1 shall be sequentially numbered.

Vendors must organize their Technical Proposals in the following order:

Tab 1 Required Vendor Information and Certifications Document
Request for Taxpayer Identification Number (W-9) Form
Declaration Regarding Material Assistance/Non-Assistance to a Terrorist Org.

Tab 2 Vendor Experience & Qualifications
Sub-Tab 2a Mandatory Qualifications (Section 2.1, 1 through 6)
Sub-Tab 2b. Vendor Qualifications (Section 2.2, 1 through 4)
Sub-Tab 2c. Staff Experience and Capabilities (Section 2.3, 1 and 2)

Tab 3 Scope of Work and Specifications of Deliverables
Sub-Tab 3a. Deliverable A
Sub-Tab 3b. Deliverable B
Sub-Tab 3c. Deliverable C

Tab 4 Administrative Structures—Proposed Work Plan (Section 3.2, A through E)

Tab 5 Vendor Attachments or Appendices

All pages in the Technical Proposal must be sequentially numbered, with the exception of Tab 1 contents.

NOTE: Vendors are required to submit **one additional CD-ROM copy** (using TWO CD-ROMs) of their entire proposal package in non-rewriteable CD format. One CD-ROM is to contain the complete Technical Proposal, including any required or voluntary attachments to it, and the other CD-ROM is to contain the Cost Proposal including any required or voluntary attachments to it. One document may, at vendor option, be excepted from the electronic technical proposal version: the “Request for Taxpayer Identification Number (W-9) Form” (**provided as RFP Attachment B.**), which is to be signed by the vendor and submitted with the paper copies of the technical proposal. **The CD-ROM containing the Cost Form must be submitted in the sealed envelope containing the hardcopy Cost Form.**

B. Technical Proposal Details

The vendor’s Technical Proposal must contain the following components, at minimum. It is mandatory that vendor proposals be organized in the following order, and that wherever appropriate, sections/portions of the vendor proposal make reference by section number/letter to those RFP requirements to which they correspond.

IMPORTANT: Any vendor Technical Proposals found to contain any prohibited cost information shall be disqualified from consideration. Prohibited cost information is defined as any dollar amounts which ODJFS might find indicative of the relative cost or economy of the proposed project. However, information on the assets, value, or historical business volume of the vendor is NOT considered to be such prohibited cost information, and MAY be included in any vendor’s technical proposal. Any prohibited cost information must be submitted with the

separate, sealed project budget/Cost Proposal. The Technical Proposal is defined as any part of the vendor's proposal (either as required by ODJFS or sent at vendor's discretion, such as work plan, resumes, letters of recommendation, letters of cooperation from any subcontractors, etc.) which is not specifically identified by ODJFS as a required component of the separate, sealed project budget/Cost Proposal. Should a vendor feel it is important to include any documents containing such prohibited cost information in the technical proposal, the cost information in those documents must be made unreadable by the vendor before submission of the proposal to ODJFS.

1. (Tab 1)
Required Vendor Information & Certifications
Request for Taxpayer Identification Number (W-9) Form
Declaration Regarding Material Assistance / Non-Assistance to a Terrorist Organization

In this section, the vendor is required to provide required information and certifications of eligibility for state contract awards, as described in **Attachment A.** to this RFP, entitled "Required Vendor Information & Certifications Document." Vendors may, at their discretion, either print **Attachment A.**, complete and sign it (in blue ink), and return it as the content of their Proposal Tab 1; or they may provide all the required information and certifications (each fully re-stated from **Attachment A.**) on their own letterhead, properly signed (in blue ink), and use that document as the content of their Proposal Tab 1. Vendors who fail to provide all information and certifications as described in **Attachment A.** in their Proposal Tab 1 risk disqualification.

The vendor must attach the **Request for Taxpayer Identification Number (W-9) Form**, which is provided as **Attachment B.** to this RFP, completed with an original signature in blue ink.

Vendors are required to provide a declaration regarding material assistance to a terrorist organization or an organization that supports terrorism as identified by the U.S. Department of State Terrorist Exclusion List and described in **Attachment C, Declaration Regarding Material Assistance/Non-Assistance to a Terrorist Organization.** Vendors MUST print **Attachment C.**, complete and sign it (in blue ink), and return it as the content of their Proposal Tab 1. Vendors who fail to provide a signed and completed **Attachment C.** risk disqualification. This form may also be accessed and printed at the Ohio Department of Public Safety, Division of Homeland Security's Website at <http://www.homelandsecurity.ohio.gov>.

The signed originals of the above referenced forms (**RFP Attachments A., B., and C.**) are to be provided in the vendor's original proposal; photocopies of the completed and signed forms must also be provided with each of the required copies.

In the event that the vendor proposes the use of any subcontractors, information on the subcontractor(s) and letters of commitment as required by Section 4.8, Minority Business Enterprise or 4.9, Subcontractor Identification and Participation Information should also be provided in Tab 1.

In order to be acknowledged as a vendor with an Ohio presence (as described in RFP Section 4.24, Ohio Presence Consideration) for additional scoring consideration, the vendor must demonstrate in this Tab1 section of its proposal either that it currently has a physical presence in Ohio or has concrete plans for establishing a physical presence. Information to be presented includes the actual or proposed location of the vendor's presence, a description of the work to be performed at that location, and the number of its personnel to operate from the Ohio location. If the Ohio location is planned but not yet operational, an estimated implementation schedule should be provided.

**2. (Tab 2)
Vendor Experience & Qualifications**

a. Vendor Qualifications (Sub-Tab 2 a.)

The vendor must include information on the mandatory experience of the vendor, as described in **Section 2.1**, of this RFP.

b. Organizational Experience and Capabilities (Sub-Tab 2 b.)

The vendor should include information on the relevant experience of the vendor including any subcontractors; and any prior experience relevant to this RFP, as described in **Section 2.2**, of this RFP.

c. Staff Experience and Capabilities (Sub-Tab 2 c.)

Under this section the vendor is required to include resumes, education, experience, and list of related published works of all key personnel for this project, and describe any appropriate supplemental and support staff (including any subcontractors) to be involved, as described in **Section 2.3**, of this RFP.

**3. (Tab 3)
Scope of Work & Specifications of Deliverables**

This section should describe in detail how the vendor proposes to perform each tasks of the scope of work identified in Sections 3.1, Scope of Work and in Section 3.1, Specifications of Deliverables, of this RFP. The responses must address each element separately. Vendors should place their responses for each Deliverable identified in Section 3.3 behind separate sub-tabs as described above.

**4. (Tab 4)
Administrative Structures—Proposed Work Plan**

This section should describe in detail (in the order as outlined) the vendor's administrative structures as specified in Section 3.2, Administrative Structures—Proposed Work Plan of this RFP.

**5. (Tab 5)
Vendor Attachments or Appendices**

This section should, at a minimum, include excerpts/samples of work products described in RFP Section 2.2.

C. **Cost Proposal**

Three (one signed original and two copies) copies of the Cost Proposal must be submitted in a separate, sealed envelope, and labeled: **“NOTE: DO NOT OPEN. COST PROPOSAL ENCLOSED FOR ECONOMIC STUDY FOR 2009 CHILD SUPPORT GUIDELINES COUNCIL, RFP#: R-89-09-8004 SUBMITTED BY [VENDOR’S NAME HERE].”**

This envelope/package must also contain the labeled Cost Proposal CD-ROM. The Proposal must include a statement that the prices quoted are firm.

Vendors are to complete the Cost Proposal Form, provided as **Attachment F**, to this RFP according to instructions, sign it, and submit it fully completed as the separate sealed cost proposal. The Cost Proposal Form requires interested vendors to provide a group of individual prices for those services defined in Section 3.1 Specifications of Deliverables. Vendors are to use their professional comprehension of the effort required to perform those services and to offer to ODJFS its flat, all-inclusive fee for performing each. The prices offered in the vendor’s Cost Proposal will be the prices in effect throughout the contract period, including any renewal contracts, as described in Section 1.10, Time Frames & Funding Source, of this RFP.

Vendors are to use the format in **Attachment F, Cost Proposal Form**, to submit their cost proposal for SFY 09. At the vendor’s discretion, additional documentation may also be included with the completed **Attachment F**, as explanatory information, but when making the vendor selections and when executing the contract, ODJFS will consider only the dollar amounts displayed on the Cost Proposal Form.

In calculating their total proposed cost, vendors must consider cost resulting from each deliverable listed in Section 3.1 of this RFP, as well as all program costs, primary and incidental, necessary to complete all program activities (whether explicitly identified by ODJFS in this RFP or not).

D. **IMPORTANT – VENDOR DISQUALIFIERS FOR PROPOSAL ERRORS:**

- Any vendor’s Technical Proposal found to contain any cost information shall be disqualified from consideration. Cost information is defined as any dollar amounts which might be deemed to be indicative of the relative cost or economy of the proposed project. Information on the assets, value, or historical business volume of the vendor is NOT considered to be such prohibited cost information, and MAY be included in any vendor’s technical proposal as information on business capacity and stability. All prohibited cost information must be submitted with the separate, sealed Cost Proposal. The Technical Proposal is defined as any part of the vendor’s proposal (either as required by ODJFS or sent at vendor’s discretion), such as work plan, resumes, letters of recommendation, letters of cooperation from any subcontractors, etc., which is not specifically identified by ODJFS as a required component of the separate, sealed Cost Proposal. Should a vendor determine to include in the technical proposal any documents which contain such cost information, the cost information in those documents must be made unreadable by the vendor before submission of the proposal to ODJFS. Failure to follow these instructions will result in disqualification.

- Any trade secret, proprietary, or confidential information (as defined in Section 4.5 of this RFP) found anywhere in a vendor's proposal shall result in immediate disqualification of that vendor's proposal.

SECTION VI. CRITERIA FOR PROPOSAL EVALUATION & SELECTION

6.1 Scoring of Proposals

ODJFS will contract with a vendor that best demonstrates the ability to meet requirements as specified in this RFP. Vendors submitting a response will be evaluated based on the capacity and experience demonstrated in their Technical and Cost Proposal. All proposals will be reviewed and scored by a Proposal Review Team (PRT), comprised of staff from ODJFS, Office of Child Support and their designees. Vendors should not assume that the review team members are familiar with any current or past work activities with ODJFS. Proposals containing assumptions, lack of sufficient detail, poor organization, lack of proofreading and unnecessary use of self-promotional claims will be evaluated accordingly. PRT members will be required to sign disclosure forms to establish that they have no personal or financial interest in the outcome of the proposal review and contractor selection process.

Selection of the vendor will be based upon the criteria specified in Sections II., III., IV., and V. of this RFP. Any proposals not meeting the requirements contained in those sections of this RFP will not be scored or may be held pending receipt of required clarifications. The PRT reserves the right to reject any and all proposals, in whole or in part, received in response to this request. The review team may waive minor defects that are not material when no prejudice will result to the rights of any vendor or to the public. In scoring the proposals, ODJFS will score in three phases:

A. Phase I. Review—Initial Qualifying Criteria:

In order to be fully reviewed and scored, proposals submitted must pass the following Phase I. Review. **Any “no” for the listed Phase I. criteria will eliminate a proposal from further consideration.**

1. Was the proposal received by the deadline as specified in Sections 1.6 and 5.1?
2. Did the vendor submit six (6) paper copies and one electronic copy of their Technical Proposal, as well as their Cost Proposal (in a separate sealed envelope labeled: **“NOTE: DO NOT OPEN. COST PROPOSAL ENCLOSED FOR ECONOMIC STUDY FOR 2009 CHILD SUPPORT GUIDELINES COUNCIL RFP#: R-89-09-8004 SUBMITTED BY [VENDOR’S NAME HERE].”**)?
3. Does the vendor’s proposal include all required affirmative statements and certifications, signed by the vendor’s responsible representative, as described in **Attachments B., and C.** to the RFP?
4. According to those certifications, does the vendor affirmatively indicate that it is not on the federal debarment list; that there are no unfair labor findings against it; and it is not in violation of ORC Section 9.24, and therefore may enter into a contract with ODJFS?

5. Does ODJFS' review of the Auditor of State website verify that the vendor is not excluded from contracting with ODJFS by ORC Section 9.24 for an unresolved finding for recovery (*i.e.*, the proposal of any vendor whose name appears on the Auditor's website as having an unresolved finding for recovery will be eliminated from further consideration.)?
6. (Any other RFP-specific mandatory requirements?)

B. Phase II. Review—Criteria for Scoring the Technical Proposal:

The PRT will then score those qualifying technical proposals, not eliminated in Phase I. Review, by assessing how well the vendor meets the requirements as specified in Sections II, III, IV, V, and VI. of this RFP. Using the score sheet for Phase II scoring (see **Attachment E.** of this RFP for specific evaluation criteria), the PRT will read, review, discuss and reach consensus on the final technical score for each qualifying technical proposal.

A maximum of **358** points will be awarded for the Technical Proposal. A technical proposal must achieve a total of at least **285** points (a score which represents that the vendor can successfully perform the resulting contractual duties) out of the possible 358 points to qualify for continued consideration. Any proposal which does not meet the minimum required technical proposal points will be disqualified from any further consideration and its cost proposal will neither be opened nor considered.

All Phase II technical proposal evaluation criteria will be scored according to the following scale, based on a proposed plan's ability to meet ODJFS needs. The Technical Proposal Score Sheet (see **Attachment E.**) uses the following point values for rating each requirement.

0	6	8	10
Does Not Meet Requirement	Partially Meets	Meets Requirement	Exceeds Requirement

Technical Performance Scoring Definitions:

“Does Not Meet Requirement”- A particular RFP requirement was not addressed in the vendor's proposal, **Score: 0**

“Partially Meets Requirement”-Vendor proposal demonstrates some attempt at meeting a particular RFP requirement, but that attempt falls below acceptable level, **Score: 6**

“Meets Requirement”-Vendor proposal fulfills a particular RFP requirement in all material respects, potentially with only minor, non-substantial deviation, **Score: 8**

“Exceeds Requirement”-Vendor proposal fulfills a particular RFP requirement in all material respects, and offers some additional level of quality in excess of ODJFS expectations, **Score: 10**

IMPORTANT: Before submitting a proposal to ODJFS in response to this RFP, vendors are strongly encouraged to use the Technical Proposal Score Sheet (**Attachment E.**) and the above technical performance scoring information to review their proposals for completeness, compliance and quality.

All the remaining qualified Technical Proposals will proceed to the next level of review, which is consideration of the Cost Proposal. Any other proposals will be disqualified from further consideration, and the corresponding Cost Proposals will neither be opened nor will be scored.

For those technically qualified vendors with an Ohio presence, their final technical score will be the sum of the score they earned according to the Phase II review described above plus the additional ten points. That sum will be used for those vendors in Phase III, as described below.

C. Phase III.—Criteria for Considering the Cost Proposal

The Cost Proposal will be reviewed by ODJFS. The grand total of each technically qualified vendor's Cost Proposal is divided by that vendor's final Technical Proposal score. This compares the cost with the quality of the Technical Proposal, which will provide an average cost-per-quality point earned on the Technical Proposal.

If the cost proposals of all technically qualifying vendors (as determined by the scoring process described in this section and by the Technical Proposal Score Sheet, **Attachment E.** to this RFP) are in excess of the available funding for this project, ODJFS may, at its sole discretion, negotiate with all technically qualifying vendors for a revised cost proposal. Vendors may then submit one last and best offer, or may request that ODJFS view its original cost proposal as its last and best offer, or may formally withdraw from further consideration, and shall formally indicate its choice according to directions provided by ODJFS at that time. Upon receipt of all last and best offers, and assuming that one or more have submitted a cost proposal that is within project budget, ODJFS will then consider those vendors' revised cost proposals which are within the budget according to the cost-point assignment process described in this section, above, and in the Technical Proposal Score Sheet, **Attachment E.**, for calculation of the winning score.

6.2 Review Process Caveats

ODJFS may, at its sole discretion, waive minor errors or omissions in vendors' Technical and/or Cost proposals/forms when those errors do not unreasonably obscure the meaning of the content.

ODJFS reserves the right to request clarifications from vendors to any information in their Technical and/or Cost proposals/forms, and may request such clarification as it deems necessary at any point in the proposal review process. Any such requests for proposal clarification when initiated by ODJFS, and vendors' verbal or written response to those requests, shall not be considered a violation of the communication prohibitions contained in Section 1.9 of this RFP. Such communications are expressly permitted when initiated by ODJFS, but are at the sole discretion of ODJFS.

Should ODJFS determine a need for interviewing vendors prior to making a final selection, results to interview questions shall be scored in a manner similar to the process described in Section 6.1, Scoring of Proposals, above. Such scored results may be either added to those vendors' proposal scores, or will replace certain criteria scores, at the discretion of ODJFS. The standards for scoring the interviews and the method used for considering the results of the interviews shall be applied consistently for all vendors participating in the interview process for that RFP.

ODJFS reserves the right to negotiate with vendors for adjustments to their proposals should ODJFS determine, for any reason, to adjust the scope of the project for which this RFP is released. Such communications are not violations of any communications prohibition, and are expressly permitted when initiated by ODJFS, but are at the sole discretion of ODJFS.

Any vendor deemed not responsible, or any submitting a proposal deemed not to be responsive to the terms of this RFP, shall not be awarded the contract.

6.3 Final Vendor Recommendation

The PRT will recommend to the Director of ODJFS the technically qualified vendor offering the proposal most advantageous to ODJFS, as determined by the processes and requirements established in this RFP.

6.4 Tie Breaker

In the event that two or more of the proposals have a score which is tied after final calculation of both the technical proposal and the cost proposal, the proposal with the higher score in the technical proposal will prevail.

- F. ODJFS' Office of Legal Services shall issue written decisions on all timely protests and shall notify any vendor who filed an untimely protest as to whether or not the protest will be considered.

7.2 Caveats

ODJFS is under no obligation to issue a contract as a result of this solicitation if, in the opinion of ODJFS and the proposal review team, none of the proposals are responsive to the objectives and needs of the Department. ODJFS reserves the right to not select any vendor should ODJFS decide not to proceed. Changes in this RFP of a material nature will be provided via the agency website.
