4020 East Fifth Avenue
Columbus, Ohio 43216

To Whom It May Concern,

Please be advised, Ebner Furnaces, Inc. will be taking applications Monday through Friday from 8:00 A.M. until 3:30 P.M. The successful applicants will be enrolled into the Fall Semester class. Applications will be taken at our Wadsworth facility located at 224 Quadral Drive Wadsworth, Ohio 44281.

Applicants must be 18 years of age, present a high school diploma or GED, and a valid drivers license at the time of application.

Upon referral to employment, all applicants will be subject to a pre-hire drug screening.

Sincerely,

Tom Krueger
V.P. of Manufacturing
Apprentice Coordinator

EBNER EXPERT IN HEAT TREATMENT

EBNER Furnaces 224 Quadral Drive Wadsworth, Ohio 44281 330-335-1600

EBNER Furnaces is currently taking applications for its 4-year Apprenticeship Program in Fabrication-Assembler and 5-year program in Field Service. The 4-year Fabrication Apprentice will receive a minimum of 588 hours of classroom training and 8,000 hours of on-the-job training. Field Service Apprentices receive 720 hours of classroom training with 8,000 hours of on-the-job training. Pay increases are given with the successful completion of each period. Completion of the program will result in State Certification through the Ohio State Apprenticeship Council.

Applications are being taken Monday through Friday from 8:00 A.M to 3:30 P.M.

Place: EBNER Furnaces Phone: 330-335-1600
224 Quadral Drive
Wadsworth, Ohio 44281

EBNER is one of the leading manufacturers worldwide of heat treatment facilities for the steel, copper, and aluminum semi-finished products industries. We manufacture continuous and batch-type furnaces featuring cutting-edge technology, i.e. systems delivering maximum performance and optimum anneal results.

Minimum Requirements:

- Applicants must be at least 18 years of age
- A high school diploma or GED equivalency is required. Applicant must provide official transcripts of high school and post high school education/training.
- Military veterans must submit a DD-214 to verify military training and/or experience if they wish to receive consideration for such training/experience.
- Applicants must have a valid driver's license and means of transportation.
- Physically capable of performing the essential functions of the apprenticeship program without being a direct threat to health and safety of the individuals and others.
- Applicants will be required to take prescreening tests covering Arithmetic, Industrial Reading and Mechanical Concepts and grade out at a minimum of 70% for each test.
- Complete an interview process with the Apprenticeship Board of Ebner Furnaces.

Shortly, upon completion of the requirements, the applicant will receive notification of where they rank in regard to the other applicants. These applications are for the selection of the Fall Semester Class of apprentices.

All who are selected to enter the apprenticeship are required to pass a drug screening test.
