

WE WIRE THE TRI-STATE

Apprentice with us!

Earn while you learn through our registered, nationally recognized electrical apprenticeship program.

Join the best!

Independent Electrical Contractors of Greater Cincinnati (IEC) member contractors celebrate the excellence of their employees. Our outstanding and dedicated employees, the class of the industry, know the customer is #1 and takes *PRIDE* in doing the highest quality work.

In addition to excellent wages, our apprentices receive:

- 100% employer paid apprenticeship training
- 100% employer paid skill upgrade training
- Medical Insurance (single and family)
- Life Insurance (employee and family)
- Paid vacation and holidays

Truly, IEC's apprentices learn while they earn.

Career paths after IEC's apprenticeship program include:

Journeyman, supervision, estimator, project manager, superintendent and even ownership of your own firm.

Comprehensive Safety Program

IEC employs a safety professional who provides effective safety training to employees and oversees the job site through inspection to ensure a safe job environment.
