

Information Required for the Child Care Development Block Grant Act of 2014 September 2016

The Ohio Department of Job and Family Services (ODJFS) creates an annual licensing report. This report includes summaries of the number of inspections conducted, the number and type of violations found and the steps taken to address the violations.

The Child Care Development Block Grant (CCDBG) Act of 2014 requires the ODJFS to provide information regarding the number of serious injuries, number of incidences of substantiated child abuse and/or neglect and the number of deaths in child care settings beginning with the State Fiscal Year (SFY) 2015. Any information required by CCDBG that is not already included in the SFY 2015 annual licensing report is listed in the table below. If it is indicated that the information can be found in the annual report, please click the link to direct you to the annual report.
