

Child Care Advisory Council

The Ohio Child Care Advisory Council (CCAC) is defined in section 5104.08 of the Ohio Revised Code (ORC). The purpose of this council is to advise and assist the Ohio Department of Job and Family Services (ODJFS) on the administration of child care. Additionally, the CCAC advises the director on matters affecting the licensing of centers, type A home providers, type B home providers and the certification of in-home aides. The council consists of twenty-two members appointed by the director of the ODJFS with the approval of the governor.

The CCAC makes an annual report to the director of the ODJFS that addresses the availability, affordability, accessibility, and quality of child care and that summarizes the recommendations and plans of action that the council has proposed to the director during the preceding fiscal year.

Appointments are for three-year terms. Members of the council serve without compensation, but are reimbursed for necessary travel expenses.

The Child Care Advisory Council meets at 4020 E Fifth Ave, Columbus, Ohio. The meeting schedule is available on the web site listed at the end of this document.
